SECTION 1211. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any Consolidated Subsidiary of the Company to, directly or indirectly, (i) declare or pay any dividend on, or make any distribution in respect of or purchase, redeem or retire for value any capital stock of the Company, other than (1) through the issuance solely of the Company's own capital stock (other than Redeemable Stock) or options, warrants or other rights thereto or (2) in the case of any such capital stock that is Redeemable Stock ("Existing Redeemable Stock"), through the issuance solely of the Company's own capital stock (including new shares of Redeemable Stock, provided such new shares of Redeemable Stock have an Average Life equal to or greater than the lesser of (A) the remaining Average Life of the Existing Redeemable Stock or (B) the remaining Average Life of the Notes), or (ii) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, prior to scheduled maturity, mandatory sinking fund date or mandatory repayment date (including any repayment date resulting from the exercise of a Put Right by the holder of any Indebtedness, but excluding any repayment date arising as a result of any Indebtedness being declared due and payable prior to the date on which it would otherwise become due and payable due to any default in the performance of any term or provision of such Indebtedness), any Indebtedness of the Company which is subordinate in right of payment to the Notes (other than with, and to the extent of, the proceeds from the incurrence of Refinancing Indebtedness that constitutes Permitted Indebtedness) (such payments or any other actions described in (i) and (ii), collectively, "Restricted Payments").

(b) The Company or any Consolidated Subsidiary of the Company may make a Restricted Payment which would otherwise be prohibited by subsection (a) of this Section 1211, provided, that (i) at the time of and after giving effect to the proposed Restricted Payment no Event of Default (and no event that, after notice or lapse of time, or both, would become an Event of Default) shall have occurred and be continuing; (ii) at the time of and after giving effect to the proposed Restricted Payment (the value of any such payment, if other than cash, as determined by the Board of Directors, whose determination shall be conclusive and evidenced by a Board Resolution), the aggregate amount of all Restricted Payments declared or made after June 30, 1992 shall not exceed the sum of (1) 50% of the aggregate cumulative Consolidated Net Income of the Company accrued on a cumulative basis during the period beginning after June 30, 1992 and ending on the last day of the Company's last fiscal quarter ending prior to the date of such proposed Restricted Payment (or, if such aggregate cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) plus (2) the aggregate proceeds received by the Company as capital contributions to the Company after June 30, 1992, or from the issuance and sale (other than to a Consolidated Subsidiary of the Company) after June 30, 1992 of capital stock of the Company (excluding Redeemable Stock but including stock issued upon conversions of Convertible Debt, stock issued to the Company's pension plans and stock issued upon the exercise of options or warrants), plus (3) \$500 million; and (iii) immediately after giving effect to such proposed Restricted Payment the Company could incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to Section 1210; provided, however, the provisions of clause (iii) above shall not be applicable to any declaration or payment in cash of current dividends or dividends in arrears in respect of any series of preferred stock of the Company.

(c) The foregoing provisions of subsections 1211 (a) and (b) will not prevent the payment of any dividend within 60 days after the date of its declaration, if, at the date of declaration, such payment would be permitted by such provisions. Notwithstanding the foregoing, "Restricted

Payment" shall not include (i) the payment, during the period beginning October 1, 1992 and ending June 30, 1994, of an aggregate of \$185 million of dividends in arrears in respect of the Company's preferred stock or (ii) the redemption of Convertible Debt pursuant to the terms of the indenture or other instrument under which such debt is issued, provided that (1) the last reported sale price for the Company's Common Stock for each of the five consecutive trading days immediately preceding the date of the notice of redemption therefor (the "notice date") shall have exceeded 115% of the conversion price for such Convertible Debt and (2) the Company's Consolidated Interest Coverage Ratio for the last four fiscal quarters immediately preceding such notice date, taken as one period, is not less than 2.0 to 1.

SECTION 1212. Purchase of Notes Upon Change in Control.

(a) Upon the occurrence of a Change in Control, each Holder of Notes shall have the right (the "Repurchase Right") to require the Company to repurchase all or any portion of such Holder's Notes, in integral multiples of \$1,000, at the Put Price in cash, in accordance with and subject to the terms of this Section 1212. Such repurchase shall occur on the date (the "Repurchase Date") that is 45 days after the date of the Company Notice hereinafter described. The Company will mail a notice containing the information set forth in Subsection 1212(b) below (the "Company Notice") to all Holders of Notes within 30 days following any Change in Control and the Company will purchase all tendered Notes by making payment of the Put Price on the Repurchase Date. The Company shall promptly deliver a copy of the Company Notice to the Trustee and shall cause a copy of such notice to be published in The Wall Street Journal or another newspaper of national circulation.

(b) The Company Notice shall state:

(i) that a Change in Control has occurred and that each Holder of Notes has the right to require the Company to repurchase such Holder's Note at the Put Price in cash;

(ii) the circumstances and relevant facts regarding such Change in Control;

(iii) the Repurchase Date and the instructions a Holder of Notes must follow in order to have such Holder's Notes repurchased in accordance with this Section 1212;

(iv) that any Note not tendered will continue to accrue interest;

(v) that on the Repurchase Date any Note tendered for payment pursuant to the terms hereof and for which money sufficient to pay the Put Price has been deposited with the Trustee, as provided in this Section 1212, shall cease to accrue interest after the Repurchase Date;

(vi) that Holders electing to have a Note repurchased pursuant to this Section 1212 will be required to surrender the Note, duly endorsed for transfer, together with a notice in the form entitled "Election to Exercise Repurchase Right Upon a Change in Control" on the reverse of the Note, to the Company at the address specified in the Company Notice on or prior to the close of business on the 30th day after the date of the Company Notice; and

(vii) such other information as may be required by applicable law and regulations;

provided that no failure of the Company to give the foregoing notices and no defect therein shall limit the Repurchase Rights or affect the validity of the proceedings for the repurchase of the Notes pursuant to this Section 1212.

(c) Following a Change in Control, the Company shall accept for payment Notes properly tendered pursuant to this Section 1212. Prior to the Repurchase Date, the Company shall deposit with the Trustee money sufficient to pay the Put Price for all Notes (or portions thereof) so tendered and deliver, or cause to be delivered, to the Trustee Notes properly tendered pursuant to this Section 1212 and accepted together with an Officers' Certificate describing the Notes so tendered to and

being purchased by the Company. On the Repurchase Date, the Trustee shall, to the extent that monies deposited with the Trustee are available therefor, mail to the Holders of Notes so tendered and accepted payment in an amount equal to the Put Price and, as soon as possible after such payment, the Trustee shall cancel the Notes so tendered and accepted. The Company will publicly announce the results of the Change in Control tender offer as soon as practicable after the Repurchase Date. The Company will issue to Holders whose Notes are purchased only in part new Notes equal in principal amount to the unpurchased portion of the Notes surrendered.

(d) Notwithstanding the foregoing, in repurchasing the Notes pursuant to this Section 1212, the Company will comply with all applicable tender offer rules, including but not limited to Sections 13(e) and 14(e) under the Exchange Act and Rules 13e-1 and 14e-1 thereunder.

(e) Each Holder of Notes properly tendered for purchase pursuant to this Section 1212 who is not paid the Put Price for such Notes in the manner described in Subsection 1212(c) will be entitled to receive (as part of any subsequent payment of the Put Price prior to the earlier of (i) the date such Holder's election to require the Company to purchase such Notes is withdrawn or (ii) the date all outstanding Notes are accelerated under Section 502 or an Event of Default under subsection 501(5) or 501(6) shall occur) interest on the entire principal of such outstanding Notes at the rate provided in such outstanding Notes through the date the Put Price is paid, to the extent not theretofore paid on such Notes in accordance with their terms.

(f) The Company is solely responsible for performing the duties and responsibilities contained in this Section 1212, other than the obligations of the Trustee specifically set forth in Subsection 1212(c).

The Trustee shall not be responsible for any failure of the Company to make any deposit with the Trustee or to deliver to the Trustee Notes tendered pursuant to this Section 1212 or, subject to Section 601, any failure of the Company to comply with any of the other covenants of the Company contained in this Section 1212.

SECTION 1213. Limitation on Transactions with Related Persons.

The Company shall not, and shall not permit any of its Consolidated Subsidiaries to, directly or indirectly, enter into or suffer to exist any transaction or series of related transactions (including, without limitation, the sale, purchase, exchange or lease of assets, property or services) with a Related Person unless such transaction or series of transactions is on terms that are no less favorable to the Company or such Consolidated Subsidiary, as the case may be, than would be available in a comparable transaction with an unrelated third party; provided, however, that the foregoing restrictions will not apply to (a) transactions between or among any of the Company and its Wholly Owned Consolidated Subsidiaries, (b) transactions between or among any of the Company and its Consolidated Subsidiaries that are not Wholly Owned Consolidated Subsidiaries, provided such transactions are entered into in the ordinary course of business on terms and conditions consistent with prior practice and (c) any transaction with an officer or director of the Company or any Consolidated Subsidiary entered into in the ordinary course of business (including, without limitation, compensation or employee benefit and perquisite arrangements).

SECTION 1214 Release of Certain Covenants

The covenants set forth in Section 1210 (Limitation on Company and Subsidiary Indebtedness), Section 1211 (Limitation on Restricted Payments) and Section 1213 (limitation on Transactions with Related Persons) shall be released and the Company and its Subsidiaries shall have no further obligations to comply therewith in the event that (a) the Notes achieve Investment Grade Status and (b) no Event of Default or Default shall have occurred and be continuing.

Section 2.6 Applicability of Article Fifteen. Pursuant to Section 301 of the Indenture, Article Fifteen of the Indenture shall be applicable to the Notes.

Section 2.7 Other Provisions Unchanged. All provisions of the Indenture, other than as set forth in Sections 2.1 through 2.6, inclusive, of

this Fourth Supplemental Indenture shall be unchanged by this Fourth Supplemental Indenture and shall remain in full force and effect. The Indenture, as supplemented and amended by this Fourth Supplemental Indenture, is in all respects ratified and confirmed, and the Indenture and this Fourth Supplemental Indenture shall be read, taken and construed as one and the same instrument.

Section 2.8 Ranking. The Notes will be senior unsecured obligations of the Company, ranking pari passu with all existing and future senior indebtedness (including, without limitation, the indebtedness of the Company represented by the notes and debentures referred to in Section 608 (c)(1) of the Indenture) of the Company and senior to all existing and future subordinated indebtedness of the Company.

UNISYS CORPORATION
7 7/8% Senior Notes due 2008

This Note is one of a duly authorized issue of Notes of the Company designated as its 7 7/8% Senior Notes due 2008 (herein called the "Notes"), issued under an Indenture dated as of August 6, 1992 between the Company and Bank One, N.A., as trustee (herein called the "Trustee", which term includes any successor trustee under such Indenture), as amended and supplemented by the Fourth Supplemental Indenture dated as of January 30, 1998 (such Indenture and Fourth Supplemental Indenture, collectively, the "Indenture"), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, obligations, duties and immunities thereunder of the Company, the Trustee and the holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered.

If an Event of Default as defined in the Indenture shall have occurred and be continuing, the principal of and accrued interest on the Notes of this series may be declared and upon such declaration shall become due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

The Indenture contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than 66-2/3% in the principal amount of the Notes at the time outstanding, evidenced as in the Indenture provided, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of any supplemental indenture or modifying in any manner the rights of the holders of the Notes; provided, however, that no such supplemental indenture shall (i) change the fixed maturity of the principal of, or installment of interest on, any Note, or reduce the principal amount thereof or the interest thereon or any premium payable upon redemption thereof or upon exercise of the Repurchase Right with respect thereto, or impair or affect the right of the holder of any Note to institute suit for the payment thereof, or make the principal thereof or interest or premium, if any, thereof payable in any coin or currency other than that provided in the Notes or (ii) reduce the aforesaid percentage of Notes, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all Notes then outstanding. It is also provided in the Indenture that, prior to any declaration accelerating the maturity of the Notes, the holders of a majority in aggregate principal amount of the Notes at the time outstanding may on behalf of the holders of all of the Notes waive any past default or Event of Default under the Indenture and its consequences, except a default in the payment of interest or any premium on or the principal of any of the Notes. Any such consent or waiver by the holder of this Note (unless revoked as provided in the Indenture) shall be conclusive and binding upon such holder and upon all future holders and owners of this Note and any Notes which may be issued in exchange or substitution therefor, irrespective of whether or not any notation thereof is made upon this Note or such other Notes.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligations of the Company, which are absolute and unconditional, to pay the principal of and any premium and interest on this Note at the place, at the respective times, at the rate and in the coin or currency herein prescribed or to repurchase this Note upon a Change in Control as provided in the Indenture.

Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

The Notes may not be redeemed prior to April 1, 2003, on and after which date the Notes may be redeemed at the option of the Company as a whole, or from time to time in part, in multiples of \$1,000 only, on any date prior to maturity, upon mailing a notice of such redemption not less than 30

nor more than 60 days prior to the date fixed for redemption to the holders of Notes to be redeemed, at the following redemption prices (expressed in percentages of the principal amount) together in each case with accrued interest to the date fixed for redemption. If redeemed during the 12-month period beginning April 1:

Year	Percentage
2003	103.938%
2004	102.625%
2005	101.313%
2006 and thereafter	100.000%

; provided that if the date fixed for redemption is April 1 or October 1, then the interest payable on such date shall be paid to the holder of record on the preceding March 15 or September 15.

Upon any Change in Control with respect to the Company, each holder of Notes shall have the right, at the holder's option, to require the Company to repurchase all of such holder's Notes, or a portion thereof which is \$1,000 or any integral multiple thereof, on the Repurchase Date at a price equal to 101% of the principal amount of the Notes, plus accrued interest, if any, to the Repurchase Date.

The provisions of the Indenture providing for defeasance of (i) the entire indebtedness of this Note and (ii) certain restrictive covenants are applicable to the Note.

As set forth in, and subject to, the provisions of the Indenture, no holder of any Note will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless (a) such holder shall have previously given to the Trustee written notice of a continuing Event of Default with respect to this series, (b) the holders of not less than 25% in principal amount of the Notes then outstanding shall have made written request to the Trustee to institute such proceeding in respect of such Event of Default in its own name as Trustee under the Indenture, (c) such holders shall have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceeding and (e) the Trustee shall not have received from the holder of a majority in principal amount of the Notes then outstanding direction inconsistent with such request within such 60-day period; provided, however, that such limitations do not apply to a suit instituted by the holder of a Note for the enforcement of payment of the principal of, premium, if any, or interest on the Note after the respective due date expressed herein.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of, premium, if any, and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder of the Note or his attorney duly authorized in writing, and thereupon one or more new Notes of this series of like tenor or authorized denominations and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in denominations of \$1,000 or any integral multiple thereof. As provided in the Indenture and subject to certain limitations set forth therein, Notes of this series are exchangeable for like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the holder of the Notes surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Note is registered as the absolute owner of the Note for all purposes, whether or not this Note be overdue, and none of the Company, the Trustee or any such agent shall be affected by notice to the

contrary.

Terms used in this Note and defined in the Indenture are used herein as therein defined.
