Dear Fellow Stockholder:

It is my pleasure to invite you to the Unisys 2000 Annual Meeting of Stockholders. This year's meeting will be held on Thursday, April 27, 2000 at the Marriott Philadelphia, which is located at 1201 Market Street in Philadelphia, Pennsylvania. The meeting will begin at 9:30 a.m.

Our accomplishments in 1999 were many. Although our revenue growth was only 4%, we delivered a more than 50% increase in earnings per share, further reduced debt and eliminated more than \$100 million of annual preferred dividends. We launched an exciting portfolio of services, solutions, and technologies to position Unisys in the fast-growing electronic business marketplace. And to improve our delivery of e-business solutions to clients, we moved to an integrated approach to serving our largest customers worldwide that is focused on increasing sales productivity, enhancing cross-selling opportunities, and accelerating profitable revenue growth.

Whether you plan to attend the annual meeting or not, I urge you to take a moment to vote on the items in this year's proxy statement. Most stockholders have a choice of voting their shares over the Internet, by telephone, or by completing, signing, and returning a proxy card. Voting by any of these means only takes a few minutes, and it will ensure that your shares are represented at the meeting.

I look forward to seeing you at the annual meeting and to reporting on our 1999 achievements and our goals for 2000.

Sincerely,

/s/ Larry A. Weinbach
Lawrence A. Weinbach

UNISYS CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
APRIL 27, 2000

The Board of Directors of Unisys Corporation solicits your proxy for use at the 2000 Annual Meeting of Stockholders to be held on April 27, 2000 and at any adjournments. At the Annual Meeting, stockholders will be asked to elect directors and to ratify the selection of independent auditors.

The record date for the Annual Meeting is February 28, 2000. Only holders of record of Unisys Common Stock as of the close of business on the record date are entitled to vote at the meeting. On the record date, 311,559,670 shares of Common Stock were outstanding. The presence, in person or by proxy, of a majority of those shares will constitute a quorum at the meeting.

This Proxy Statement, the proxy/voting instruction card, and the annual report of Unisys, including 1999 financial statements, are being mailed and made available on the Internet on or about March 16, 2000.

REQUIRED VOTE

Each share of Unisys Common Stock outstanding on the record date is entitled to one vote on each matter to be voted upon. Directors will be elected by a plurality of the votes cast (i.e., the nominees receiving the greatest number of votes will be elected). Abstentions and broker non-votes are not counted for purposes of the election of directors. Ratification of the selection of independent auditors will require the affirmative vote of a majority of shares present, in person or by proxy, and entitled to vote. Abstentions will be included in the vote totals for this matter, and therefore will have the same effect as a negative vote; broker non-votes will not be included in the vote totals and therefore will have no effect on the vote.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

Your vote is important. Shares may be voted at the Annual Meeting only if you are present in person or represented by proxy. Most stockholders have a choice of voting (a) by completing a proxy/voting instruction card and mailing it in the postage-paid envelope provided, (b) over the Internet, or (c) by telephone using a toll-free telephone number. Check the materials you have received to see which options are available to you and to obtain the applicable web site or telephone number. If you elected to receive proxy materials over the Internet, you should have already received e-mail instructions on how to vote electronically. Please be aware that if you vote over the Internet, you may incur costs associated with your electronic access, such as usage charges from Internet access providers and telephone companies, for which you will be responsible.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities by use of a control number, to allow stockholders to give their voting instructions, and to confirm that stockholders' instructions have been recorded properly. The Company has been advised by counsel that the telephone and Internet voting procedures are consistent with the requirements of applicable law.

You may revoke your proxy at any time before it is exercised by writing to the Secretary of Unisys, by timely delivery of a properly executed later-dated proxy (including an Internet or telephone vote), or by voting in person at the meeting.

The method by which you vote will in no way limit your right to vote at the meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

If you properly complete and return your proxy, and do not revoke it, the proxy holders will vote your shares in accordance with your instructions. If your properly completed proxy gives no instructions, the proxy holders will vote your shares FOR the election of directors, FOR the selection of independent auditors, and in their discretion on any other matters that properly come before the Annual Meeting.

If you are a participant in the Unisys Savings Plan, the proxy/voting instruction card will serve as voting instructions to the plan trustee for any whole shares of Unisys Common Stock credited to your account as of February 28, 2000. The trustee will vote those shares in accordance with your instructions if it receives your completed proxy by April 21, 2000. If the proxy is not timely received, or if you give no instructions on a matter to be voted upon, the trustee will vote the shares credited to your account in the same proportion as it votes those shares for which it received proper instructions from other participants.

ELECTION OF DIRECTORS

The Board of Directors currently consists of 11 members, divided into three classes. One class of directors is elected each year to hold office for a three-year term. Four of the five directors whose terms expire in 2000, Gail D. Fosler, Melvin R. Goodes, Rajiv L. Gupta, and Edwin A. Huston, have been nominated for reelection. Under the Company's Bylaws, no person may be elected a director after having attained the age of 70. Robert McClements, Jr. will therefore not stand for reelection at the Annual Meeting, and the Board will then consist of ten members. The remaining six directors will continue to serve as set forth below. Each of the nominees has agreed to serve as a director if elected, and Unisys believes that each nominee will be available to serve. However, the proxy holders have discretionary authority to cast votes for the election of a substitute should any nominee not be available to serve as a director.

BOARD MEETINGS

The Board of Directors held nine meetings in 1999. During 1999, all directors attended at least 75 percent of the meetings of the Board of Directors and standing Committees on which they served.

COMMITTEES

The Board of Directors has a standing Audit Committee, Corporate Governance and Compensation Committee, Finance Committee, and Nominating Committee.

The Audit Committee reviews compliance with Company policies, reviews internal control procedures, recommends to the Board of Directors the firm of independent auditors to serve the Company, reviews the scope, fees, and results of the audit by the independent auditors, and reviews the internal audit organization and annual audit plan. The Audit Committee held four meetings in 1999. Its members are Dr. Duderstadt, Mr. Huston, and Mr. McClements.

The Corporate Governance and Compensation Committee oversees the Company's corporate governance, the Company's executive management structure, the compensation-related policies and programs involving the Company's executive management, and the level of compensation and benefits of officers and key employees. It also oversees the Company's diversity programs. The Corporate Governance and Compensation Committee held four meetings in 1999. Its members are Mr. Duques, Mr. Goodes, and Mr. Macke.

The Finance Committee reviews the Company's financial affairs, including its capital structure, financial arrangements, capital spending, and acquisition and disposition plans. It also oversees the management and investment of funds in the pension, savings, and welfare plans sponsored by the Company. The Finance Committee held four meetings in 1999. Its members are Mr. Bolduc, Ms. Fosler, and Mr. Martin.

The Nominating Committee identifies and reviews candidates and recommends to the Board of Directors nominees for membership on the Board of Directors. In fulfilling this responsibility, the Nominating Committee will consider recommendations received from stockholders and other qualified sources. Stockholder recommendations must be in writing and addressed to the Chairman of the Nominating Committee, c/o Corporate Secretary, Unisys Corporation, Unisys Way, Blue Bell, Pennsylvania 19424. The Nominating Committee held three meetings in 1999. Its members are Mr. Bolduc, Mr. Macke, and Mr. McClements.

CORPORATE GOVERNANCE GUIDELINES

The Board of Directors has adopted Guidelines on Significant Corporate Governance Issues. Among other matters, these guidelines cover the following:

1. A majority of the Board of Directors should be independent directors. Interlocking directorships should be avoided, and directors should not, except in rare circumstances approved by the Board, draw any consulting, legal, or other fees from the Company. The independence of outside directors is reviewed annually by the Corporate Governance and Compensation Committee.
2. Membership on the Audit, Corporate Governance and Compensation, and Nominating Committees is limited to outside directors.
3. A Director may not serve beyond the annual stockholders' meeting following attainment of age 70.
4. Directors should offer their resignations upon a change in position, including retirement, from the position they held when they were elected to the Board. In addition, if the Company's chief executive officer resigns from that position, he is expected to offer his resignation from the Board at the same time.
5. The Nominating Committee is responsible for determining the appropriate skills and characteristics required of Board members and will consider issues of diversity, age, and skills in its assessment of the needs of the Board. The Corporate Governance and Compensation Committee maintains an orientation program for new directors.

6. The Corporate Governance and Compensation Committee is responsible for providing an annual assessment of the Board's performance and of its contribution as a whole.

7. The outside directors have the opportunity to meet in executive session, apart from the chief executive officer and other members of management, at any time. Either the outside director serving as the chairman of the Corporate Governance and Compensation Committee or the outside director serving as the chairman of the Finance Committee assumes the responsibility of chairing such meetings.

8. The outside directors meet annually in executive session to review the performance of the chief executive officer. The evaluation is led by the Corporate Governance and Compensation Committee and is based on objective criteria, including performance of the business, accomplishment of long-term strategic objectives, and development of management. The evaluation is used by the Corporate Governance and Compensation Committee in its consideration of the compensation of the chief executive officer.

9. The chief executive officer is expected to provide an annual report on succession planning to the Corporate Governance and Compensation Committee.

10. Board members have complete access to Unisys management. Members of senior management who are not Board members regularly attend Board meetings, and the Board encourages senior management, from time to time, to bring into Board meetings other managers who can provide additional insights into the matters under discussion.

STOCK OWNERSHIP GUIDELINES

In 1998, the Board established stock ownership guidelines for both directors and executive officers in order to more closely link their interests with those of stockholders. Under the guidelines, directors are expected to own, within a five-year period, Unisys stock or stock units having a value equal to four times their annual retainer. Executive officers are expected to own stock or stock units having a value equal to a multiple of base salary as follows: chief executive officer -- four times; executive and senior vice presidents -- two times; vice presidents -- one times. They have either three or five years to achieve the minimum levels, depending on the date they became an executive officer. Restricted shares and stock options, including vested stock options, do not count toward fulfillment of the ownership guidelines.

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has selected the firm of Ernst & Young LLP as independent auditors to audit the Company's books and accounts for the year ending December 31, 2000 and recommends ratification of this selection by the stockholders. Ernst & Young LLP has served as independent auditors for Unisys since the merger of Burroughs Corporation and Sperry Corporation in 1986, having previously served in that capacity for Sperry Corporation. Its representatives will be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions asked by stockholders.

The Board of Directors considers Ernst & Young LLP to be well qualified to serve as the independent auditors for Unisys. If, however, stockholders do not ratify the selection of Ernst & Young LLP, the Board will reconsider the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR 2000. PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS STOCKHOLDERS OTHERWISE SPECIFY IN THEIR PROXIES.

Assumed rates of appreciation are not necessarily indicative of future stock performance.

(2) Options were granted to Mr. McGrath on January 6, 1999 and April 22, 1999. Options were granted to the other Named Officers on April 22, 1999. Options become exercisable in four equal annual installments, beginning one year after the date of grant. Options become immediately exercisable in the event of a change in control (as defined in the long-term incentive plan).

(3) The exercise price per share is the fair market value (calculated as the average of the high and low sales prices reported on the Composite Tape for New York Stock Exchange Listed Companies) of a share of Unisys Common Stock on the date of grant. Options may be exercised with cash and/or with other shares of Unisys Common Stock or with any other form of consideration permitted by the Corporate Governance and Compensation Committee.

(4) The options were granted for a term of ten years, subject to earlier termination in certain events related to termination of employment.

LONG-TERM INCENTIVE AWARDS

On January 6, 1999, Joseph W. McGrath received an award of 58,000 restricted share units under the Company's long-term incentive plan. The grant will vest over three years, with one-third vesting each year beginning on the first anniversary of the date of grant. Restricted share units may not be voted and are not entitled to receive dividends.

PENSION PLANS

The table below shows the aggregate annual amounts at age 65 that would be received from the Unisys Pension Plan (the "Pension Plan"), the Supplemental Executive Retirement Plan (the "Supplemental Plan"), and the Elected Officer Pension Plan (the "Officer Plan").

The Pension Plan and Supplemental Plan generally are available to all employees located in the United States. The Officer Plan is available to officers, including the Named Officers, who satisfy certain minimum service requirements. The aggregate pension amount payable under the Officer Plan is offset by benefits paid under the Pension Plan, the Supplemental Plan, and any applicable subsidiary plan. The amounts shown in the table are computed on a single life annuity basis and are subject to a reduction equal to 50% of the participant's primary social security benefit.

Final Average Compensation generally corresponds to the amounts shown in the Summary Compensation Table under the headings Salary and Bonus. However, Final Average Compensation is calculated using the individual's highest 60 consecutive months of compensation out of the final 120 months of employment and thus will differ somewhat from the amounts shown in the Summary Compensation Table. Final Average Compensation for the Named Officers as of March 1, 2000 is as follows: J. A. Blaine - \$483,371; G. R. Gazerwitz - \$548,129; J. W. McGrath - \$511,435; H. S. Barron - \$520,950. Full years of credited service under the pension plans for the Named Officers as of March 1, 2000 are as follows: J. A. Blaine - 16 years; G. R. Gazerwitz - 18 years; J. W. McGrath - one year; H. S. Barron - nine years.

Pursuant to the employment agreement described below, Lawrence A. Weinbach is vested in an annual pension benefit as follows: 0-3 years of service - \$350,000; 4 years - \$570,000; 5 years - \$710,000; 6 years - \$860,000; 7 or more years - \$1,000,000.

EMPLOYMENT AGREEMENTS

On September 23, 1997, the Company entered into a five-year employment agreement with Lawrence A. Weinbach, covering the terms and conditions of Mr. Weinbach's employment as Chairman of the Board, President and Chief Executive Officer. The agreement provides for a minimum base salary of \$1,200,000 per year, subject to annual review by the Corporate Governance and Compensation Committee, and eligibility for an annual bonus award at a target bonus level of not less than 100% of base salary. The actual bonus payable, if any, is to be determined by the Corporate Governance and Compensation Committee in its sole discretion, except that, for the 1999 award year, Mr. Weinbach was guaranteed a minimum bonus equal to 100% of the base salary paid to him in the year. Mr. Weinbach is eligible to participate in the benefit programs generally made available to executive officers, is entitled to the pension benefits discussed above, and is eligible to receive stock option and other long-term incentive awards under the Company's long-term incentive plan. If Mr. Weinbach's employment is terminated under certain circumstances, the agreement provides for him to receive continued payment of his base salary for the remainder of the term (but in no event less than one year's base salary) and, for the one-year period following the date of termination, a bonus in an amount equal to his target bonus percentage times the base salary paid during such period. He will also be entitled to continued medical and dental coverage through the remaining term of the agreement, full vesting in outstanding awards under the long-term incentive plan, and one additional year of service for pension purposes. Salary continuation amounts paid to Mr. Weinbach after two years from the date of employment termination will be reduced by the amount of any cash compensation he receives for services rendered to any entity other than Unisys. Mr. Weinbach is also party to a change in control agreement with the Company, as described below. He is not entitled to receive duplicate payments under the change in control agreement and his employment agreement.

The Company and Joseph W. McGrath are parties to a three-year employment agreement terminating in January 2002. Under the agreement, Mr. McGrath is entitled to an annual base salary of \$325,000 and eligibility for an annual bonus at a target of 55% of annual salary. The agreement provides that the actual bonus amount can vary from zero to 150% of target, except that for 1999 Mr. McGrath was guaranteed a minimum bonus of \$178,750. Under the agreement, Mr. McGrath also received a one-time bonus in the amount of \$110,000 at the time his employment began. At that time, he also received the first stock option grant disclosed on page 11 and the restricted share unit award described on page 12. Mr. McGrath is eligible to participate in the benefit programs generally made available to executive officers and is eligible to receive stock option and other long-term incentive awards under the Company's long-term incentive plan. If Mr. McGrath's employment terminates under certain circumstances, he will be entitled to receive continued payment of his base salary, a bonus payment at 100% of target, and continued medical and dental benefits for the remaining term of the agreement, or twelve months from the date of termination, whichever is greater. Mr. McGrath is also party to a change in control agreement. He is not entitled to receive duplicate payments under the change in control agreement and his employment agreement.

CHANGE IN CONTROL EMPLOYMENT AGREEMENTS

The Company has entered into change in control employment agreements with its executive officers including the Named Officers. The agreements are intended to retain the services of these executives and provide for continuity of management in the event of any actual or threatened change in control. A change in control is generally defined as (i) the acquisition of 20% or more of Unisys Common Stock, (ii) a change in the majority of the Board of Directors unless approved by the incumbent directors (other than as a result of a contested election), and (iii) certain reorganizations, mergers, consolidations, liquidations or dissolutions. Each agreement has a term ending on the third anniversary of the date of the change in control. These agreements, which are the same in substance for each executive, provide that in the event of a change in control each executive will have specific rights and receive certain benefits. Those benefits include the right to continue in the Company's employ during the term, performing comparable duties to those being performed immediately prior to the change in control and at compensation and benefit levels that are at least equal to the compensation and benefit levels in effect immediately prior to the change in control. Upon a termination of employment under certain circumstances following a change in control, the terminated executive will be entitled to receive special termination benefits, including a lump sum payment equal to three years base salary and bonus and the actuarial value of the pension benefit the executive would have accrued had the executive remained employed for three years following the termination date. The special termination benefits are payable if the Company terminates the executive without cause, the executive terminates employment for certain enumerated reasons (including a reduction in the executive's compensation or responsibilities or a change in the executive's job location), or the executive voluntarily terminates employment for any reason during the 30-day period following the first anniversary of the date of the change in control. If any payment or distribution by the Company to the executive is determined to be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, the executive is entitled to receive a payment on an after-tax basis equal to the excise tax imposed. The executive is under no obligation to mitigate amounts payable under these agreements, and to the extent the executive has a separate employment agreement with the Company with conflicting rights, the executive is allowed the greater entitlement.

COMPENSATION OF DIRECTORS

The Company's non-employee directors receive an annual retainer of \$35,000, an annual attendance fee of \$10,000 for regularly scheduled Board and committee meetings, and a meeting fee of \$1,000 for attendance at each Board and committee meeting held on other than a regularly scheduled meeting day. Chairmen of committees other than the Nominating Committee also receive an annual \$5,000 retainer. The annual retainers and annual attendance fee are paid in monthly installments, with 50% of each installment paid in cash and 50% in the form of common stock equivalent units ("Stock Units"). The value of each Stock Unit at any point in time is equal to the value of one share of Unisys Common Stock. Stock Units are recorded in a memorandum account maintained for each director. A director's Stock Unit account is payable upon termination of service, or at any date at least five years after the Stock Units are awarded, in either cash or common stock at the election of the director. Directors do not have the right to vote with respect to any Stock Units. Directors also have the opportunity to defer until termination of service, or until any date at least five years after the deferral, all or a portion of their cash fees. Any deferred cash amounts, and earnings or losses thereon, are recorded in a memorandum account maintained for each director. The right to receive future

payments of Stock Unit accounts and deferred cash accounts is an unsecured claim against the Company's general assets. Directors who are employees of the Company do not receive any cash or Stock Units for their services as directors.

REPORT OF THE CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE

COMPENSATION PROGRAM AND POLICIES

The Company's executive compensation program is administered by the Corporate Governance and Compensation Committee (the "Committee"). In this capacity, the Committee reviews compensation levels of elected officers, evaluates performance, considers management succession and related matters, and administers the Company's incentive plans, including the Executive Variable Compensation Plan (the "EVC Plan") and the 1990 Unisys Long-Term Incentive Plan (the "LTIP").

The Company's executive compensation program is designed to attract and retain executives responsible for the Company's long-term success, to reward executives for achieving both financial and strategic company goals, to align executive and stockholder interests through long-term, equity-based plans, and to provide a compensation package that recognizes individual contributions as well as overall business results. As a result, a substantial portion of each executive's total compensation is intended to be variable and to be tied closely to the achievement of specific business objectives and corporate financial goals, as well as the attainment of the executive's individual performance objectives. The Company's executive compensation program also takes into account the compensation practices of companies with whom Unisys competes for executive talent. These companies (the "peer companies") include the principal companies included in the peer group indices in the Performance Graph on page 17 of this Proxy Statement and additional companies in various industries.

The three key components of the Company's executive compensation program for 1999 were base salary, short-term incentive payments, and long-term incentive awards in the form of stock options. Overall compensation is intended to be competitive for comparable positions at the peer companies.

The Company's policies with respect to each of the elements of its executive compensation program, as well as the basis for the compensation awarded to the chief executive officer, are discussed below.

BASE SALARY

Each executive's base salary is initially determined with reference to competitive pay practices and is dependent upon the executive's level of responsibility and experience. The Committee uses its discretion, rather than a formal weighting system, to evaluate these factors and to determine individual base salary levels. Thereafter, base salaries are reviewed periodically, and increases are made based on the Committee's subjective assessment of individual performance, as well as the factors discussed above.

SHORT-TERM INCENTIVE PAYMENTS

For 1999, all of the Company's executive officers participated in the EVC Plan. This plan's stated purpose is to motivate and reward elected officers and other key executives for the attainment of individual and/or corporate performance goals. Under the EVC Plan, the Committee has the discretion to determine the conditions (including performance objectives)

applicable to annual award payments and the amounts of such awards. With respect to executives other than Mr. Weinbach, awards under the EVC Plan for 1999 were generally determined as follows.

Early in 1999, executives were assigned target award amounts for the year, which were typically stated as a percentage of base salary (ranging, in the case of elected officers other than the chief executive officer, from 45% to 60%). Performance goals were also established based upon the financial performance of Unisys (generally, achievement of pre-established objectives for revenue, earnings per share, cash flow, and selling, general and administrative costs as a percentage of revenue) and upon individual performance objectives. Actual award amounts could range from zero to 150% of target, depending upon the Committee's assessment of the individual's performance, including contribution to achieving corporate-wide results.

LONG-TERM INCENTIVE AWARDS

Under the LTIP, stock options may be granted to the Company's executive officers and other key employees. The size of stock option awards is based primarily on the individual's responsibilities with Unisys. The Committee does not determine the size of such awards by reference to the amount or value of stock options currently held by an executive officer.

Stock options are designed to align the interests of executives with those of stockholders. Stock options are granted with an exercise price equal to the average market price of Unisys Common Stock on the date of grant, and current grants vest over four years. This approach is designed to encourage the creation of stockholder value over the long term since no benefit is realized unless the price of the Common Stock rises over a number of years.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Lawrence A. Weinbach became the Company's Chairman, President and Chief Executive Officer on September 23, 1997. In connection with his employment, the Company entered into the employment agreement described at page 13. Under the employment agreement, Mr. Weinbach is entitled to a base salary at the rate of \$1,200,000 per year, subject to annual review by the Committee, and, for 1999, is guaranteed a minimum annual bonus equal to 100% of his base salary for the year. In light of Mr. Weinbach's contribution to the Company's financial performance in 1998, the Committee increased his base salary to \$1,320,000 per year in March 1999. For 1999, Mr. Weinbach received a bonus of \$1,320,000. In 1999, Mr. Weinbach also was granted the stock options described on page 11.

DEDUCTIBILITY OF EXECUTIVE COMPENSATION

Section 162(m) of the Internal Revenue Code imposes a \$1 million annual limit on the amount of compensation that may be deducted by the Company with respect to each Named Officer employed as of the last day of the applicable year. The limitation does not apply to compensation based on the attainment of objective performance goals. The Committee has considered the impact of the deduction limitation and has determined that it is not in the best interests of the Company or its stockholders to base compensation solely on objective performance criteria. Rather, the Committee believes that it should retain the flexibility to base

compensation on its subjective evaluation of performance as well as on the attainment of objective goals.

STOCK PERFORMANCE GRAPH

The following graph compares the yearly percentage change in the cumulative total stockholder return on Unisys Common Stock during the five fiscal years ended December 31, 1999 with the cumulative total return on the Standard & Poor's 500 Stock Index, the Standard & Poor's Computers (Hardware) Index and the Standard & Poor's Computers (Software and Services) Index. The comparison assumes \$100 was invested on December 31, 1994 in Unisys Common Stock and in each of such indices and assumes reinvestment of dividends.

GENERAL MATTERS

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's directors and officers are required to file reports with the SEC relating to their ownership of Unisys equity securities. The Company typically files these reports on behalf of its directors and officers, based on information provided by them. During 1999, all directors and officers provided the Company with the required information on a timely basis. However, the Company was six days late in filing one report, with respect to one transaction, on behalf of Gail D. Fosler.

POLICY ON CONFIDENTIAL VOTING

It is the Company's policy that all stockholder proxies, ballots, and voting materials that identify the vote of a specific stockholder shall, if requested by that stockholder on such proxy, ballot, or materials, be kept permanently confidential and shall not be disclosed to the Company, its affiliates, directors, officers, and employees or to any third parties, except as may be required by law, to pursue or defend legal proceedings, or to carry out the purpose of, or as permitted by, the policy. Under the policy, vote tabulators and inspectors of election are to be independent parties who are unaffiliated with and are not employees of the Company. The policy provides that it may, under certain circumstances, be suspended in the event of a proxy solicitation in opposition to a solicitation of management. The Company may at any time be informed whether or not a particular stockholder has voted. Comments written on proxies or ballots, together with the name and address of the commenting stockholder, will also be made available to the Company.

STOCKHOLDER PROPOSALS AND NOMINATIONS

The deadline for submitting stockholder proposals to the Company for inclusion in the proxy materials for the 2001 Annual Meeting of Stockholders is November 16, 2000.

Any stockholder who intends to present a proposal at the 2001 Annual Meeting and has not sought to include the proposal in the Company's proxy materials must give the Company notice of the proposal no later than January 27, 2001.

Any stockholder who intends to make a nomination for the Board of Directors at the 2001 Annual Meeting must deliver a notice to the Company no later than January 26, 2001 setting forth (i) the name, age, business and residence addresses of each nominee, (ii) the principal occupation or employment of each nominee, (iii) the number of shares of Unisys capital stock beneficially owned by each nominee, (iv) a statement that the nominee is willing to be nominated, and (v) any other information concerning each nominee that would be required by the SEC in a proxy statement soliciting proxies for the election of the nominee.

ELECTRONIC ACCESS TO PROXY MATERIALS AND ANNUAL REPORT

This Proxy Statement and the 1999 Annual Report are available on the Company's Internet site at WWW.UNISYS.COM/INVESTOR/PROXY2000 and WWW.UNISYS.COM/ANNUAL/ANNUAL1999. Most stockholders can elect to view future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail and thus can save the Company the cost of producing and mailing these documents. If you vote your shares over the Internet this year, you will be given the opportunity to choose electronic access at the time you vote. You can also choose electronic access by following the instructions that you will receive in connection with

next year's annual meeting. Most stockholders who choose electronic access will receive an e-mail next year containing the Internet address to use to access the proxy statement and annual report. Your choice will remain in effect until you cancel it. You do not have to elect Internet access each year.

OTHER MATTERS

At the date of this Proxy Statement, the Board of Directors knows of no matter that will be presented for consideration at the Annual Meeting other than those described in this Proxy Statement. If any other matter properly comes before the Annual Meeting, the persons appointed as proxies will vote thereon in their discretion.

The Company will bear the cost of soliciting proxies. Such cost will include charges by brokers and other custodians, nominees, and fiduciaries for forwarding proxies and proxy material to the beneficial owners of Unisys Common Stock. Solicitation may also be made personally, or by telephone or telegraph, by the Company's directors, officers, and regular employees without additional compensation. In addition, the Company has retained Morrow & Co., Inc. to assist in the solicitation of proxies for a fee of approximately \$9,500, plus expenses.
