RISK FACTORS

Investing in our securities involves risk. You should carefully consider the risk factors contained in our most recent Annual Report on Form 10-K and our subsequent Quarterly Reports on Form 10-Q, which are incorporated by reference herein, and the other information contained in this prospectus, as updated by our subsequent filings under the Exchange Act, and the risk factors and other information contained in the applicable prospectus supplement or any free writing prospectus before acquiring any of such securities. These risks could materially affect our business, results of operations or financial condition and cause the value of our securities to decline. You could lose all or part of your investment.

USE OF PROCEEDS

Unless we indicate otherwise in a prospectus supplement, we plan to use the net proceeds from the sale of the securities for general corporate purposes, to reduce or refinance indebtedness and to make acquisitions or engage in other business opportunities.

**RATIOS OF EARNINGS TO FIXED CHARGES AND EARNINGS
TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

The ratios of earnings to fixed charges and earnings to combined fixed charges and preferred stock dividends presented below should be read together with our consolidated financial statements and related notes and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” contained in our most recent Annual Report on Form 10-K and our subsequent Quarterly Reports on Form 10-Q and any other documents filed under the Exchange Act that are incorporated by reference herein. The ratios of earnings to fixed charges and earnings to combined fixed charges and preferred stock dividends for each of our last five fiscal years appear below. We computed the ratio of earnings to fixed charges by dividing earnings (loss) by fixed charges. We computed the ratio of earnings to combined fixed charges and preferred stock dividends by dividing earnings (loss) by the sum of fixed charges and preferred stock dividends. Earnings (loss) consist of income (loss) from continuing operations before income taxes, plus amortization of capitalized interest and fixed charges, less interest capitalized during the period. Fixed charges consist of interest expense on all indebtedness, interest capitalized during the period, amortization of debt issuance expense and the portion of rental expense representative of interest. Preferred stock dividends consist of dividends paid with respect to our 6.25% Mandatory Convertible Preferred Stock, Series A, none of which remains outstanding.

The following table sets forth our ratios of earnings to fixed charges and earnings to combined fixed charges and preferred stock dividends for each of the periods shown:

	Year Ended December 31,				
	<u>2014</u>	<u>2013</u>	<u>2012</u>	<u>2011</u>	<u>2010</u>
Ratio of Earnings to Fixed Charges	4.42	6.13	5.09	3.03	2.52
Ratio of Earnings to Combined Fixed Charges and Preferred Stock Dividends	4.16	4.46	4.04	2.68	2.52

The foregoing information will be updated by the information relating to our Ratios of Earnings to Fixed Charges and Earnings to Combined Fixed Charges and Preferred Stock Dividends contained in our periodic reports filed with the SEC, which will be incorporated by reference in this prospectus at the time they are filed with the SEC. See “Where You Can Find More Information; Incorporation of Certain Documents by Reference.”

DESCRIPTION OF DEBT SECURITIES

This section describes the general terms and provisions of our debt securities. You should refer to the applicable indenture and the applicable prospectus supplement and any documents incorporated herein or therein by reference for more specific information and the specific terms of a particular offering.

General

Our debt securities will be either senior debt securities or subordinated debt securities. The senior debt securities, if unsecured, will rank equally with all of our existing and future unsecured and unsubordinated indebtedness. The subordinated debt securities will rank junior to all of our existing and future senior indebtedness in right of payment.

The senior debt securities will be issued under a senior indenture between us and Wells Fargo Bank, National Association or another trustee chosen by us, and the subordinated debt securities will be issued under a subordinated indenture between us and Wells Fargo Bank, National Association or another trustee chosen by us, in each case as may be supplemented by a supplemental indenture relating to the specific terms of the debt securities offered. We have filed copies of both indentures as exhibits to the registration statement of which this prospectus is a part.

The indentures do not limit the amount of debt securities that we may issue and permit us to issue securities from time to time in one or more series. All debt securities of one series need not be issued at the same time, and, unless otherwise provided, any series may be reopened, without the consent of the holders of the debt securities of that series, for issuances of additional debt securities of that series. We may issue our debt securities separately or upon conversion of or in exchange for our preferred stock or other debt securities. The debt securities will be our direct obligations. They may bear interest at a fixed or floating rate or they may not bear interest. We may issue debt securities at, above or below their stated principal amount, as described more fully in the applicable prospectus supplement.

The applicable prospectus supplement will describe the following terms of any series of debt securities that we may offer:

- the title of the debt securities;
- whether they are senior or subordinated;
- the total amount of the debt securities authorized and the amount outstanding, if any;
- any limit on the aggregate principal amount of the debt securities offered by that prospectus supplement;
- whether the debt securities will be guaranteed and the identity of the guarantors, if applicable;
- when the principal of the debt securities will mature;
- the interest rate, if any, or the method for determining it, including any procedures to determine, vary or reset the interest rate;
- when interest, if any, will be payable, as well as the record dates for determining to whom we will pay interest;
- where the principal of, and premium and interest if any on, the debt securities will be paid;
- the percentage of the principal amount at which such debt securities will be offered;
- redemption, call, repurchase or sinking fund provisions, if any;
- whether the debt securities will be issued in global or certificated form and, in the case of global securities, the name of the depository, if any;

Table of Contents

- if we are going to make payments to the holder in a foreign currency or currencies, the currency or currencies and manner of conversion from U.S. dollars;
- any index we may use to determine the amount of payment of principal of, and premium and interest, if any, on, the debt securities;
- whether the debt securities are convertible into or exchangeable for any other securities and the terms and conditions upon which a conversion or exchange may occur;
- any additions, deletions or changes to events of default or covenants provided in the applicable indenture;
- any other terms of the debt securities that vary from the terms in the applicable indenture;
- whether the debt securities will be secured or unsecured and the terms and collateral of any secured debt securities;
- any material U.S. federal income tax considerations; and
- any other information we think is important with respect to the terms and other provisions of the securities.

Denominations, Registration and Transfer

We will issue debt securities as registered securities (without coupons) either in certificated form or in the form of one or more global securities. We will issue book-entry debt securities as registered global securities. Each global security will be issued in the denomination of the aggregate principal amount of the securities that it represents. Unless otherwise stated in the applicable prospectus, we will issue the debt securities in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

A holder may exchange certificated debt securities for other debt securities of the same series in a like aggregate principal amount but in different authorized denominations. Whenever any such debt securities are surrendered for exchange, we will execute, and the trustee will authenticate and deliver, the debt securities that the holder making the exchange is entitled to receive.

A holder may present debt securities in certificated form for registration of transfer (with the form of transfer printed on the security duly executed) at the office of the security registrar that we designate for such purpose. Unless we state otherwise in the applicable prospectus supplement, the security registrar will be the trustee we appointed under the indenture for the applicable debt securities. There will be no service charge to register the transfer, but the holder is responsible for paying any taxes and other governmental charges. Any transfer or exchange is subject to the security registrar being satisfied with the documents of title and identity of the person making the request.

For a discussion of restrictions on the exchange, registration and transfer of global securities, see the section below entitled “—Global Securities”.

Payment and Paying Agents

Unless otherwise indicated in an applicable prospectus supplement, we will pay the principal of, and premium and interest, if any, on, debt securities to a paying agent, whom we will designate from time to time. However, at our option we may pay any interest (1) by check mailed to each holder at such holder's address appearing in the security register or (2) by wire transfer to an account maintained by each holder. Unless otherwise stated in the applicable prospectus supplement, we will pay interest to each holder on the applicable payment date if the debt security is registered in such holder's name at the close of business on the regular record date for that interest payment.

[Table of Contents](#)

Unless otherwise indicated in an applicable prospectus supplement, the trustee under the applicable indenture will act as our sole paying agent through its principal office. We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that we will be required to maintain a paying agent in each place of payment for each series. If, after two years, moneys that we paid to a paying agent remain unclaimed, the paying agent will remit the moneys to us, together with any interest, and each holder may look only to us for payment (or to the applicable state if we are required to escheat the moneys).

Global Securities

We will deposit any global securities with a depository or its nominee identified in the applicable prospectus supplement. While the applicable prospectus supplement will describe the specific terms of the depository arrangement, we expect the following general provisions to apply to our depository arrangements:

Global securities will be registered in the name of the depository or its nominee. Upon the issuance of a global security, the depository or nominee will credit, on its book-entry registration and transfer system, the principal amounts of the debt securities represented by the global security to the accounts of institutions that have accounts with the depository or nominee. If we are offering and selling the debt securities directly, we will designate the accounts to be credited; otherwise, our underwriter or agent will do so. Ownership of beneficial interests in a global security will be limited to participating institutions or their clients. The depository or its nominee will keep records of the ownership and transfer of beneficial interests in a global security by participating institutions. Participating institutions will keep records of the ownership and transfer of beneficial interests by their clients. The laws of some jurisdictions may require that purchasers of securities receive them in certificated form. This may limit the ability to transfer beneficial interests in a global security.

So long as the depository or its nominee is the registered owner of a global security, it will be considered the sole owner or holder of the debt securities represented by the global security for all purposes under the applicable indenture. Except as set forth below, owners of beneficial interests in the global securities will not be entitled to have debt securities represented by the global security registered in their names, will not receive or be entitled to receive debt securities in certificated form and will not be considered the owners or holders thereof under the applicable indenture. Accordingly, if a holder owns a beneficial interest in a global security, the holder must rely on the depository and, if applicable, the participating institution of which that holder is a client to exercise the rights of that holder under the applicable indenture.

The depository may grant proxies and otherwise authorize participating institutions to take any action that a holder is entitled to take under the indentures. We understand that, according to existing industry practices, if we request any action of holders, or any owner of a beneficial interest in a global security wishes to give any notice or take any action, the depository would authorize the participating institutions to give the notice or take the action, and the participating institutions would in turn authorize their clients to give the notice or take the action.

Generally, we will make payments on debt securities represented by a global security directly to the depository or its nominee. It is our understanding that the depository will then credit the accounts of participating institutions, which will then distribute funds to their clients. We also expect that payments by participating institutions to their clients will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of clients registered in "street names," and will be the responsibility of the participating institutions. Neither we nor the trustees, nor our respective agents, will have any responsibility, or bear any liability, for any aspects of the records relating to or payments made on account of beneficial interests in a global security, or for maintaining, supervising or reviewing records relating to beneficial interests.

[Table of Contents](#)

Generally, a global security may be exchanged for certificated debt securities only in the following instances:

- the depository notifies us that it is unwilling or unable to continue as depository, or it ceases to be a registered clearing agency, if required to be registered by law, and thereafter a successor is not appointed within 90 days; or
- we determine in our sole discretion that we will no longer have debt securities represented by global securities or that we will permit global securities to be exchanged for certificated debt securities.

Consolidation, Merger, Sale or Lease of Assets

Each indenture provides that we, without the consent of the holders of any of the outstanding debt securities, may consolidate with or merge into, or transfer or lease our assets substantially as an entirety to, any corporation organized under the laws of any domestic jurisdiction, provided that:

- the successor corporation assumes our obligations under the indenture and the debt securities issued thereunder;
- after giving effect to the transaction, no event of default and no event which, after notice or lapse of time, would become an event of default shall have occurred and be continuing; and
- any other conditions that may be specified with respect to a particular series of debt securities are met.

Events of Default

Except as may be provided in a prospectus supplement, any of the following events will constitute an event of default for a series of debt securities under an indenture:

- failure to pay principal of or any premium on any debt security of that series when due;
- failure to pay any interest on any debt security of that series when due, continued for 30 days;
- failure to deposit any sinking fund payment in respect of any debt security of that series when due;
- failure to perform any other covenant of Unisys in the applicable indenture (other than a covenant included in the indenture solely for the benefit of a series of debt securities other than that series), continued for 60 days after written notice as provided in the indenture;
- certain events of bankruptcy, insolvency or reorganization; and
- any other event of default provided with respect to debt securities of that series.

If there is an event of default with respect to a series of our debt securities, which continues for the requisite amount of time, either the trustee or holders of at least 25% in aggregate principal amount of that series may declare the principal amount of all the debt securities of that series to be due and payable immediately. If we issued the securities with original issue discount, less than the stated principal amount may become payable. At any time after a declaration of acceleration with respect to debt securities of any series has been made, but before a judgment or decree based on acceleration has been obtained, the holders of a majority in aggregate principal amount of outstanding debt securities of that series may, under certain circumstances, rescind and annul the acceleration.

Each of the indentures provides that, subject to the trustee's duty to act with the required standard of care during a default, the applicable trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any of the holders, unless the holders have offered indemnity satisfactory to it to the applicable trustee. Subject to these provisions for the indemnification of the trustee, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the debt securities of that series.

[Table of Contents](#)

We are required to furnish the trustees annually with a statement as to our compliance with our obligations under the indentures and as to any defaults.

Modification and Waiver

We and the trustees may enter into supplemental indentures without the consent of any holders of the debt securities for the purposes, among other things, of expanding our covenants for the benefit of the holders of any series of debt securities, adding additional events of default for the benefit of the holders of any series of debt securities, adding guarantees, adding security, establishing the form or terms of debt securities or curing ambiguities or inconsistencies.

We may make other modifications and amendments to the indentures with the consent of the holders of a majority in aggregate principal amount of the outstanding debt securities of each series affected by the modification or amendment. However, the consent of all of the holders of our debt securities that are affected by a modification or amendment is required:

- to change the stated maturity of the principal of, or any installment of principal or interest on, any debt security;
- to reduce the principal amount of, or any premium or interest on, any debt security;
- to reduce the amount of principal of debt securities issued with original issue discount payable upon acceleration of the maturity thereof;
- to change the currency of payment of principal of, or any premium or interest on, any debt security;
- to impair the right to institute suit for the enforcement of any payment on or with respect to any debt security; or
- to reduce the percentage in principal amount of outstanding debt securities of any series, the consent of whose holders is required for modification or amendment of the indenture.

The holders of a majority in aggregate principal amount of the outstanding debt securities of each series may, on behalf of all holders of debt securities of that series, waive any past default under the applicable indenture with respect to debt securities of that series, except a default in the payment of the principal of, or premium or interest, if any, on, any of the debt securities of that series or in respect of a covenant or provision of the indenture that cannot, under the terms of the indenture, be modified or amended without the consent of the holders of each outstanding debt security affected thereby.

Defeasance

Except as specified with respect to debt securities of a particular series, we may discharge our obligations in respect of the debt securities of any series (including, in the case of the senior debt securities, our obligations to abide by certain covenants) by depositing with the trustee, in trust, money or government obligations which, through the payment of interest, principal and premium, if any, in accordance with their terms, will provide money in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay all the interest, principal and premium, if any, on the debt securities of that series on the dates those payments are due in accordance with the terms of the series. We must also, among other things, deliver to the applicable trustee an opinion of counsel to the effect that (1) the deposit and related defeasance would not cause the holders of the debt securities of the series to recognize income, gain or loss for U.S. income tax purposes and (2) the holders would be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the deposit and related defeasance had not occurred. Notwithstanding the foregoing, we may not be discharged from certain obligations to register the transfer or exchange of debt securities of a series, convert debt securities of a series, replace stolen, lost or mutilated debt securities of a series, maintain paying agencies or hold moneys for payment in trust.

[Table of Contents](#)

Conversion Rights

The applicable prospectus supplement will describe the terms on which holders of our debt securities of a series may convert the securities into our preferred stock or our common stock. Conversion may be mandatory, at the option of the holder, or at our option, as described in the applicable prospectus supplement.

Subordination Provisions

Our subordinated debt securities will be subordinated in right of payment, to the extent provided in the subordinated indenture or as described in an applicable prospectus supplement, to the prior payment in full of our senior indebtedness. If we distribute our assets to creditors upon liquidation, dissolution, reorganization, insolvency, bankruptcy or under similar circumstances, holders of our senior debt will be entitled to be paid in full before any payments will be made on our subordinated debt securities. In addition, unless otherwise provided in an applicable prospectus supplement, we will not make any payment of principal, premium or interest with respect to subordinated debt securities or on account of their purchase, redemption or other acquisition if any default in the payment of principal, premium or interest on any senior indebtedness occurs and continues beyond any applicable grace period.

If the subordinated trustee or the holders of our subordinated debt securities receive a payment that should not have been paid because of the existence of any of the events described above, they will be required to turn over the funds to the holders of our senior debt. In addition, subject to the payment in full of all senior debt, holders of subordinated debt securities will be subrogated to the rights of the holders of that senior debt with respect to the right to receive payments or distributions of our cash, property or securities applicable to that senior debt until all amounts owing on the subordinated debt securities are paid in full.

By reason of this subordination, in the event of a distribution of assets upon insolvency, certain of our creditors may recover more, ratably, than holders of the subordinated debt securities.

The subordinated indenture does not place any limits on the amount of other indebtedness, including senior indebtedness, that we may issue.

“Senior indebtedness” with respect to any series of subordinated debt securities will have the meaning specified in the applicable prospectus supplement for that series. The prospectus supplement, or the information incorporated by reference therein, will also set forth the approximate amount of senior indebtedness outstanding as of a recent date.

Notices

Notices will be mailed to holders of debt securities at their addresses as they appear in the security register.

Governing Law

The indentures and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

DESCRIPTION OF CAPITAL STOCK

This section describes the general terms of our common stock, our preferred stock and certain provisions of the Delaware General Corporation Law. For more detailed information, you should refer to our Restated Certificate of Incorporation, as amended, Certificate of Designations, Preferences and Rights and By-laws, copies of which have been filed with the SEC and incorporated by reference into this prospectus, and the relevant provisions of the Delaware General Corporation Law.

General

Our authorized capital stock consists of:

- 100,000,000 shares of common stock, par value \$.01 per share; and
- 40,000,000 shares of preferred stock, par value \$1 per share, including 1,500,000 shares that have been designated as junior participating preferred stock.

As of December 31, 2014, there were 49,680,914 shares of common stock and no shares of preferred stock outstanding.

Common Stock

Subject to the rights of any holders of shares of preferred stock and except as otherwise may be required by applicable law, holders of shares of common stock:

- are entitled to receive dividends when and as declared by the board of directors from funds legally available for that purpose;
- have the exclusive right to vote on all matters on which stockholders generally are entitled to vote, including the election of directors, and are entitled to one vote per share; and
- are entitled, upon any liquidation, dissolution or winding up of Unisys, to a pro rata distribution of the assets and funds available for distribution to stockholders.

Holders of shares of common stock do not have preemptive rights to subscribe for additional shares of common stock or securities convertible into shares of common stock. Our common stock is currently listed on the New York Stock Exchange (“NYSE”) under the symbol “UIS”. Computershare Inc. is the transfer agent for our common stock.

We have not declared or paid any cash dividends on our common stock since 1990 and do not anticipate declaring or paying dividends on the common stock in the foreseeable future. Certain of our debt instruments and credit facilities may restrict our ability to pay dividends.

All outstanding shares of our common stock are fully paid and nonassessable. Any shares of common stock that we issue will be fully paid and nonassessable.

Preferred Stock

Our Restated Certificate of Incorporation, as amended, authorizes our board of directors to provide for the issuance of shares of our preferred stock in multiple series without the approval of stockholders. With respect to each series of preferred stock we may offer, our board of directors has the authority, subject to applicable law, to fix the following terms:

- the designation of the series;
- the number of shares within the series;

[Table of Contents](#)

- the ranking of that series;
- whether dividends are cumulative and, if cumulative, the dates from which dividends are cumulative;
- the dividend rate, any conditions upon which dividends are payable, and the dates of payment of dividends;
- whether the shares are redeemable, the redemption price and the terms of redemption;
- the amount payable for each share if Unisys is dissolved or liquidated;
- whether the shares are convertible or exchangeable, the price or rate of conversion or exchange, and the applicable terms and conditions;
- any restrictions on issuance of shares in the same series or any other series;
- the voting rights for the shares of that series; and
- any other rights, preferences or limitations of that series.

Holders of any shares of preferred stock will have no preemptive rights with respect to such shares unless specified in the applicable prospectus supplement. In addition, the rights of holders of any shares of preferred stock with respect to such shares will be subordinate to the rights of our general creditors. Each new series of preferred stock will rank prior to our common stock regarding the distribution of dividends or disposition of other assets, unless otherwise specified in the applicable prospectus supplement. If the preferred stock is convertible into our common stock, we will reserve the full number of shares of our common stock issuable upon conversion of the preferred stock out of the total of our authorized but unissued shares of common stock to permit the conversion of the preferred stock into shares of common stock. Any shares of preferred stock that we issue will be fully paid and nonassessable.

If we offer preferred stock, the applicable prospectus supplement will describe the specific terms of the shares of preferred stock offered through that prospectus supplement, as well as any general terms described in this section that will not apply to those shares of preferred stock. In the applicable prospectus supplement, we will also discuss any material U.S. federal income tax considerations applicable to the preferred stock. We will file a copy of the certificate of designations that contains the terms of each new series of preferred stock with the SEC each time we issue a new series of preferred stock. Each certificate of designations will establish the number of shares included in a designated series and fix the designation, powers, privileges, preferences and rights of the shares of each series as well as any applicable qualifications, limitations or restrictions. You should refer to the applicable certificate of designations as well as our Restated Certificate of Incorporation, as amended, before deciding to buy shares of our preferred stock as described in the applicable prospectus supplement.

Junior Participating Preferred Stock

Our Restated Certificate of Incorporation, as amended, authorizes our board of directors to provide for the issuance of shares of our junior participating preferred stock. The shares of junior participating preferred stock will be nonredeemable. Each share of junior participating preferred stock will have a preferential quarterly dividend equal to the greater of (1) \$15 per share or (2) 300 times the aggregate dividend declared per share of common stock. In the event of liquidation, the holders of the shares of junior participating preferred stock will receive a preferred liquidation payment of \$100 per share, and will be entitled to receive an aggregate liquidation payment per share equal to 300 times the payment made per share of common stock. Each share of the junior participating preferred stock will have 300 votes, voting together with the shares of common stock. In the event of any merger, consolidation or other transaction in which shares of common stock are exchanged, each share of the junior participating preferred stock will be entitled to receive 300 times the amount received per share of common stock. The junior participating preferred stock has customary antidilution provisions to protect the dividend, liquidation and voting rights described above.

Anti-Takeover Provisions

Delaware Law

Unisys is a Delaware corporation and subject to Section 203 of the Delaware General Corporation Law. Generally, Section 203 prohibits a publicly held Delaware corporation from engaging in a “business combination” with an “interested stockholder” for a period of three years after the time of the transaction in which the person became an interested stockholder. The provision does not apply if:

- prior to such time, either the business combination or such transaction is approved by the board of directors of the corporation;
- upon consummation of the transaction that results in the stockholder becoming an interested stockholder, the interested stockholder owns at least 85% of the outstanding voting stock; or
- on or after such time, the business combination is approved by the board and by the affirmative vote of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

A “business combination” includes mergers, asset sales and other transactions resulting in a financial benefit to the interested stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns (or within three years, did own) 15% or more of the corporation’s outstanding voting stock. The statute could have the effect of delaying, deferring or preventing a change in our control or reducing the price that some investors might be willing to pay in the future for our common stock.

Corporate Documents

Our Restated Certificate of Incorporation, as amended, and By-laws also contain anti-takeover provisions that may have the effect of delaying, deferring or preventing a future takeover or change in control unless the board approves it. These provisions may also make it more difficult to remove the current board of directors.

- *Removal of Directors; Vacancies*—Directors may be removed from office with or without cause by the affirmative vote of at least 80% of the outstanding voting stock. Vacancies in the board of directors and newly created directorships are filled for the unexpired term only by the vote of a majority of the remaining directors in office.
- *Special Meetings of Stockholders*—Under the Restated Certificate of Incorporation, as amended, and By-laws, stockholders may not call a special meeting of stockholders. Only the board of directors, by resolution adopted by a majority of the entire board, may call a special meeting of stockholders.
- *Action by Written Consent*—The Delaware General Corporation Law provides that, unless specifically prohibited by the certificate of incorporation, any action required or permitted to be taken by stockholders of a corporation may be taken without a meeting if a written consent setting forth the action to be taken is signed by the holders of outstanding shares of capital stock having the requisite number of votes that would be necessary to authorize or take the action at a meeting of stockholders. Our Restated Certificate of Incorporation, as amended, requires that stockholder action be taken at a meeting of stockholders and prohibits stockholder action by written consent.
- *Business Combinations*—The Restated Certificate of Incorporation, as amended, provides that mergers, consolidations, sales or other transfers of assets of, issuances or reclassifications of securities of, or adoptions of plans of liquidation by Unisys (individually, a “corporate transaction”) must be approved by 80% or more of the voting stock when the action involves a person (a “20% stockholder”) who beneficially owns more than 20% of the then outstanding shares of voting stock, unless minimum price, form of consideration and procedural requirements (the “fair price provisions”) are satisfied or unless a majority of the directors not affiliated with the 20% stockholder approve the corporate transaction.

The affirmative vote of 80% or more of the then outstanding shares of voting stock is required to amend, alter or repeal the provisions of the Restated Certificate of Incorporation, as amended, and By-laws discussed above.

[Table of Contents](#)

The purpose of the provisions of the Restated Certificate of Incorporation, as amended, and By-laws relating to (1) the removal of directors and the filling of vacancies; (2) the prohibition of stockholder action by written consent and (3) supermajority voting requirements for the repeal of these provisions is to discourage many types of transactions that involve an actual or threatened change of control of Unisys. They are designed to make it more difficult and time-consuming to change majority control of the board of directors and thus to reduce the vulnerability of Unisys to an unsolicited takeover proposal that does not contemplate the acquisition of at least 80% of the voting stock or to an unsolicited proposal for the restructuring or sale of all or part of the company.

These charter and by-law provisions may make more difficult or discourage a proxy contest, or the assumption of control, by a holder of a substantial block of shares of common stock, or the removal of the incumbent board of directors, and could thus increase the likelihood that incumbent directors will retain their positions. In addition, since the fair price provisions discussed above provide that corporate transactions involving Unisys and a 20% stockholder may not be consummated without the approval of a majority of unaffiliated directors (unless the transaction meets specified criteria or is approved by supermajority vote), these provisions could give incumbent management the power to prevent certain takeovers. The fair price provisions may also discourage attempts to effect a “two-step” acquisition in which a third party purchases a controlling interest in cash and acquires the balance of the voting stock for less desirable consideration. Under the provisions governing the removal of directors, the third party would not immediately obtain the ability to control the board of directors through its first-step acquisition and, under the fair price provisions, having made the first-step acquisition, the third party could not acquire the balance of the voting stock for a lower price without a supermajority vote or the approval of a majority of the unaffiliated directors.

These provisions of the Restated Certificate of Incorporation, as amended, and By-laws help ensure that the board of directors, if confronted with an unsolicited proposal from a third party that has acquired a block of shares of common stock, will have sufficient time to review the proposal and to consider appropriate alternatives for Unisys stockholders.

These provisions are also intended to encourage persons seeking to acquire control of Unisys to initiate such an acquisition through arm’s-length negotiations with the board of directors, who would then be in a position to negotiate a transaction that would treat all stockholders in substantially the same manner. The provisions may have the effect of discouraging a third party from making an unsolicited tender offer or otherwise attempting to obtain control of Unisys, even though such an attempt might be beneficial to the company and its stockholders. In addition, since the provisions are designed to discourage accumulations of large blocks of shares of common stock by purchasers whose objective is to have those shares repurchased by the company at a premium, the provisions could tend to reduce the temporary fluctuations in the market price of common stock caused by these accumulations. Accordingly, Unisys stockholders could be deprived of the opportunity to sell their shares at a potentially higher market price.

DESCRIPTION OF WARRANTS

We may issue warrants for the purchase of our debt securities, preferred stock or common stock. We may issue warrants independently or together with other securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not have any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants. We will file a copy of the warrant agreement with the SEC in connection with any offering of warrants.

We will describe the terms of any warrants we issue in a prospectus supplement. Those terms will include the following:

- the title of the warrants;
- the offering price for the warrants, if any;
- the aggregate number of the warrants;
- the amount of securities that may be purchased upon exercise of a warrant and the exercise price;
- the currency or currency units in which the offering price, if any, and the exercise price are payable;
- a description of the securities purchasable upon exercise of the warrants;
- if applicable, a description of the securities with which the warrants are issued and the number of warrants issued with each such security;
- the dates on which the right to exercise the warrants will commence and expire;
- if applicable, the minimum or maximum amount of warrants that may be exercised at any one time;
- if applicable, the date on and after which the warrants and the related securities will be separately transferable;
- information relating to book-entry procedures, if any;
- anti-dilution provisions, if any;
- redemption or call provisions, if any; and
- any other information we think is important.

In the applicable prospectus supplement, we will also discuss any material U.S. federal income tax considerations applicable to the warrants.

DESCRIPTION OF STOCK PURCHASE CONTRACTS

We may issue stock purchase contracts obligating holders to purchase from us and obligating us to sell to the holders, a specified number of shares of Unisys common stock or other securities at a future date or dates. The price per share and number of shares of the securities may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts. The stock purchase contracts may require holders to secure their obligations in a specified manner.

The applicable prospectus supplement and any documents incorporated by reference will describe the terms of any stock purchase contracts. The description in the prospectus supplement will not necessarily be complete, and reference may be made to the stock purchase contracts, and, if applicable, collateral arrangements and depositary arrangements relating to the stock purchase contracts. In the applicable prospectus supplement, we will also discuss any material U.S. federal income tax considerations applicable to the stock purchase contracts.

PLAN OF DISTRIBUTION

We may sell the securities offered in the prospectus in any of, or any combination of, the following ways:

- through underwriters or dealers;
- directly to purchasers; or
- through agents.

We or any of our agents may directly solicit offers to purchase these securities. The applicable prospectus supplement will name any agent, who may be deemed to be an underwriter as that term is defined in the Securities Act, involved in the offer or sale of the securities in respect of which this prospectus is delivered, and will set forth any commissions payable by us to that agent. Unless otherwise indicated in the prospectus supplement, any such agency will be acting in a best efforts basis for the period of its appointment (ordinarily five business days or less). Agents, dealers and underwriters may be customers of, engage in transactions with, or perform services for us in the ordinary course of business. If we utilize an underwriter or underwriters in the sale, we will execute an underwriting agreement with such underwriters at the time of sale to them and will set forth in the applicable prospectus supplement the names of the underwriters and the terms of the transaction, including any underwriting discounts and other items constituting underwriters' compensation. Unless otherwise set forth in the prospectus supplement, the obligation of the underwriters to purchase these securities will be subject to conditions. The underwriters will be obligated to purchase all of these securities if any are purchased. The underwriters will use the prospectus supplement to make releases of the securities in respect of which this prospectus is delivered to the public.

Underwriters

The securities subject to the underwriting agreement will be acquired by the underwriters for their own account and may be resold by them from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. Underwriters may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from the purchasers of these securities for whom they may act as agent. Underwriters may sell these securities to or through dealers. These dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agent. Any initial public offering price and any discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If we utilize a dealer in the sale of the securities in respect of which this prospectus is delivered, we will sell the securities to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. The applicable prospectus supplement will set forth the name of the dealer and the terms of the transaction.

Agents, underwriters, and dealers may be entitled under the relevant agreements to indemnification by us against certain liabilities, including liabilities under the Securities Act, and to the contribution for payments the underwriters and dealers may be required to make.

The applicable prospectus supplement will set forth the place and time of delivery for the securities in respect of which this prospectus is delivered.

LEGAL MATTERS

Except as otherwise set forth in the applicable prospectus supplement, certain legal matters in connection with the securities will be passed upon for Unisys by Morgan, Lewis & Bockius LLP. If legal matters in connection with offerings made pursuant to this prospectus are passed upon by counsel to underwriters, dealers or agents, such counsel will be named in the prospectus supplement related to such offering.

Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides, among other things:

- for permissive indemnification for expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by designated persons, including directors and officers of a corporation, in the event such persons are parties to litigation other than stockholder derivative actions if certain conditions are met;
- for permissive indemnification for expenses actually and reasonably incurred by designated persons, including directors and officers of a corporation, in the event such persons are parties to stockholder derivative actions if certain conditions are met;
- for mandatory indemnification for expenses actually and reasonably incurred by designated persons, including directors and officers of a corporation, in the event such persons are successful on the merits or otherwise in litigation covered by the two preceding bullet points; and
- that the indemnification provided for by Section 145 shall not be deemed exclusive of any other rights which may be provided under any by-law, agreement, stockholder or disinterested director vote, or otherwise.

The Restated Certificate of Incorporation, as amended, of Unisys Corporation (the "Company") provides that a director of the Company shall not be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director except for liability (i) for any breach of the director's duty of loyalty to the Company or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for paying a dividend or approving a stock repurchase in violation of Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

The Restated Certificate of Incorporation, as amended, also provides that each person who was or is made a party to, or is involved in, any action, suit or proceeding by reason of the fact that he or she is or was a director or officer of the Company (or was serving at the request of the Company as a director, officer, employee or agent

[Table of Contents](#)

for another entity) shall be indemnified and held harmless by the Company, to the fullest extent authorized by the DGCL, as in effect (or, to the extent indemnification is broadened, as it may be amended) against all expense, liability or loss reasonably incurred by such person in connection therewith. The Restated Certificate of Incorporation, as amended, further provides that such rights to indemnification are contract rights and shall include the right to be paid by the Company the expenses incurred in defending the proceedings specified above, in advance of their final disposition, provided that, if the DGCL so requires, such payment shall only be made upon delivery to the Company by the indemnified party of an undertaking to repay all amounts so advanced if it shall ultimately be determined that the person receiving such payment is not entitled to be indemnified. Persons so indemnified may bring suit against the Company to recover unpaid amounts, and if the suit is successful, the Company shall reimburse the indemnified party for the expense of bringing the suit. The Restated Certificate of Incorporation, as amended, provides that the right to indemnification and to the advance payment of expenses shall not be exclusive of any other right which any person may have or acquire under any statute, provision of the Company's Restated Certificate of Incorporation, as amended, or By-Laws, or otherwise. By resolution effective September 16, 1986, the Board of Directors extended the right to indemnification provided directors and officers by the Restated Certificate of Incorporation, as amended, to employees of the Company. The Restated Certificate of Incorporation, as amended, also provides that the Company may maintain insurance, at its expense, to protect itself and any of its directors, officers, employees or agents against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the DGCL.

On April 28, 1988, at the Company's 1988 Annual Meeting of Stockholders, the stockholders authorized the Company to enter into indemnification agreements with its directors, and such indemnification agreements have been executed with each of the directors of the Company. The indemnification agreements provide that the Company shall, except in certain situations specified below, indemnify a director against any expense, liability or loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid in settlement) incurred by the director in connection with any actual or threatened action, suit or proceeding (including derivative suits) in which the director may be involved as a party or otherwise, by reason of the fact that the director is or was serving in one or more capacities as a director or officer of the Company or, at the request of the Company, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity or enterprise.

The indemnification agreements require indemnification except to the extent (i) payment for any liability is made under an insurance policy provided by the Company, (ii) indemnification is provided by the Company under the Company's Restated Certificate of Incorporation, as amended, or By-Laws, the DGCL or otherwise than pursuant to the indemnification agreement, (iii) the liability is based upon or attributable to the director gaining any personal pecuniary profit to which such director is not legally entitled or is determined to result from the director's knowingly fraudulent, dishonest or willful misconduct, (iv) the liability arises out of the violation of certain provisions of the Exchange Act, or (v) indemnification has been determined not to be permitted by applicable law.

The indemnification agreements further provide that, in the event of a Potential Change in Control (as defined therein), the Company shall cause to be maintained any then existing policies of directors' and officers' liability insurance for a period of six years from the date of a Change in Control (as defined therein) with coverage at least comparable to and in the same amounts as that provided by such policies in effect immediately prior to such Potential Change in Control. In the event of a Potential Change in Control, the indemnification agreements also provide for the establishment by the Company of a trust, for the benefit of each director, upon the written request by the director. The trust shall be funded by the Company in amounts sufficient to satisfy any and all liabilities reasonably anticipated at the time of such request, as agreed upon by the director and the Company.

The indemnification agreements also provide that no legal actions may be brought by or on behalf of the Company, or any affiliate of the Company, against a director after the expiration of two years from the date of accrual of such cause of action, and that any claim or cause of action of the Company or its affiliate shall be extinguished and deemed released unless asserted by the timely filing of a legal action within such two year period.

[Table of Contents](#)

The directors and officers of the Company are insured against certain civil liabilities, including liabilities under federal securities laws, which might be incurred by them in such capacity.

Item 16. Exhibits.

See the attached Exhibit Index, which is incorporated herein by reference.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that undertakings set forth in paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for purposes of determining liability under the Securities Act to any purchaser,
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Provided,

however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 15 hereof, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

UNISYS CORPORATION

Securities

UNDERWRITING AGREEMENT BASIC PROVISIONS

February 2015

1. *Introductory.* Unisys Corporation, a Delaware corporation (the “Company”), proposes to issue and sell from time to time senior debt securities, subordinated debt securities, convertible debt securities (collectively, “Debt Securities”), preferred stock and common stock registered under the registration statement referred to in Section 2(a) (“Registered Securities”). If specified in a Terms Agreement referred to in Section 3, the Company proposes to grant to the underwriters an option to purchase up to that amount of Registered Securities specified in such Terms Agreement (herein called the “Option Securities”). The Debt Securities will be issued under one or more indentures (as may be amended or supplemented from time to time, the “Indenture(s)”), as more particularly described in a Terms Agreement, between the Company and the trustees named therein (the “Trustee(s)”), in one or more series, which series may vary as to interest rates, maturities, redemption provisions, selling prices and other terms, with all such terms for any particular series of the Debt Securities being determined at the time of sale. The preferred stock will be issued in one or more series, which series may vary as to voting rights, dividends, optional and mandatory redemption provisions, liquidation preference and conversion provisions and other terms, with all such terms for any particular series or issue of the preferred stock being determined at the time of issue. The Registered Securities will be sold pursuant to a Terms Agreement, for resale in accordance with terms of offering determined at the time of sale.

The particular Registered Securities (including the Option Securities, if any) involved in any such offering are hereinafter referred to as the “Securities.” The firm or firms which agree to purchase the Securities are hereinafter referred to as the “Underwriters” of such Securities, and the representative or representatives of the Underwriters, if any, specified in a Terms Agreement are hereinafter referred to as the “Representatives;” *provided, however,* that if the Terms Agreement does not specify any representative of the Underwriters, the term “Representatives,” as used in this Agreement (other than in Section 5(c) (in which case such term shall mean a majority in interest of the Underwriters)) shall mean the Underwriters.

2. *Representations and Warranties of the Company.* The Company represents and warrants to, and agrees with, each Underwriter that:

(a) An “automatic shelf registration statement” as defined in Rule 405 under the Securities Act of 1933, as amended (the “Act”) on Form S-3 (the “Initial Registration Statement”), including a form of base prospectus, for the registration of the Registered Securities under the Act, and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations promulgated under the Act (the “Rules and Regulations”), has been prepared by the Company, filed not earlier than three years prior to the date hereof, and became effective upon filing with, the Securities and Exchange Commission (“Commission”). The Initial Registration Statement, as amended and supplemented, including all information, if any, deemed to be a part thereof at the time of effectiveness pursuant to Rule 430A, 430B or 430C of

the Rules and Regulations, is referred to herein as the “Registration Statement.” No stop order suspending the effectiveness of the Registration Statement has been issued and no proceeding for that purpose or pursuant to Section 8A of the Act against the Company or related to the offering and sale of the Securities has been initiated or, to the Company’s knowledge, threatened by the Commission. The Company will file the Prospectus (as defined below) with the Commission pursuant to Rule 424(b) of the Rules and Regulations. The base prospectus contained in the Initial Registration Statement, at the time such registration statement became effective, as supplemented by the final prospectus supplement relating to the offering of Securities, in the form in which it is to be filed with the Commission pursuant to Rule 424(b) of the Rules and Regulations, is hereinafter referred to as the “Prospectus,” except that if any revised prospectus or prospectus supplement shall be provided to the Underwriters by the Company for use in connection with the offering of Securities which differs from the Prospectus (whether or not such revised prospectus or prospectus supplement is required to be filed by the Company pursuant to Rule 424(b) of the Rules and Regulations), the term “Prospectus” shall refer to such revised prospectus or prospectus supplement, as the case may be, from and after the time it is first provided to the Underwriters for such use. Any preliminary prospectus supplement (and the related base prospectus) relating to the offering of the Securities filed with the Commission pursuant to Rule 424 of the Rules and Regulations is hereafter referred to as the “Preliminary Prospectus.” Any “issuer free writing prospectus” (as defined in Rule 433 under the Act) relating to the Securities is hereafter referred to as an “Issuer Free Writing Prospectus,” and the Pricing Prospectus (as defined below), as supplemented by the Issuer Free Writing Prospectuses, if any, attached and listed in Schedule B(I) to the Terms Agreement, taken together, are hereafter referred to collectively as the “Pricing Disclosure Package.” Any reference herein to the Registration Statement, any Preliminary Prospectus, the Prospectus or the Pricing Disclosure Package shall be deemed to refer to and include the documents incorporated or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3, which were filed under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), on or before the effective date of such Registration Statement, the date of such Preliminary Prospectus or Prospectus or the Applicable Time, as applicable; and any reference herein to the terms “amend,” “amendment” or “supplement” with respect to the Registration Statement, the Prospectus, any Preliminary Prospectus or the Pricing Disclosure Package shall be deemed to refer to and include (i) the filing of any document under the Exchange Act after the effective date of such Registration Statement, the date of such Preliminary Prospectus or Prospectus or after the Applicable Time, as the case may be, that is incorporated therein by reference and (ii) any such document so filed. As used herein, the “Applicable Time” with respect to any offering of Securities means the date and time specified as the Applicable Time in the related Terms Agreement and “Pricing Prospectus” means the most recent Preliminary Prospectus, as amended or supplemented immediately prior to the Applicable Time.

(b) Each Preliminary Prospectus, at the time of filing thereof, conformed in all material respects to the requirements of the Act and the Rules and Regulations, and did not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; the Pricing Disclosure Package, as of the Applicable Time, did not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and each Issuer Free Writing Prospectus listed on Schedule B(II) to the Terms

Agreement does not conflict with the information contained in the Registration Statement, the Pricing Prospectus or the Prospectus, and each such Issuer Free Writing Prospectus, when taken together with the Pricing Disclosure Package as of the Applicable Time, did not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that in each case the foregoing representation and warranty does not apply to statements in or omissions from any of such documents based upon written information furnished to the Company by or on behalf of any Underwriter through the Representatives, if any, specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information, if any, described as such in the Terms Agreement.

(c) The Registration Statement conforms, and the Prospectus and any further amendments or supplements to the Registration Statement and the Prospectus will conform, in all material respects, to the requirements of the Act, the Trust Indenture Act of 1939, as amended ("Trust Indenture Act"), if applicable, and the Rules and Regulations; and the Registration Statement does not and will not, as of the applicable effective date as to each part of the Registration Statement and as of the Closing Date (as defined in Section 3 of this Agreement), contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and the Prospectus will not, as of its date, the date of any amendment or supplement thereto and as of the Closing Date, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that in each case the foregoing representation and warranty does not apply to (i) statements in or omissions from any of such documents based upon written information furnished to the Company by or on behalf of any Underwriter through the Representatives, if any, specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information, if any, described as such in the Terms Agreement, or (ii) that part of the Registration Statement that constitutes the Statement of Eligibility (Form T-1) of the Trustee under the Trust Indenture Act.

(d) The documents incorporated by reference in the Pricing Prospectus and the Prospectus, when they were filed with the Commission, conformed in all material respects to the requirements of the Exchange Act and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; any further documents so filed and incorporated by reference in the Prospectus or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(e) The Company has complied in all material respects with the requirements of Rule 433 under the Act with respect to each Issuer Free Writing Prospectus including, without

limitation, all prospectus delivery, filing, record retention and legending requirements applicable to any such Issuer Free Writing Prospectus. The Company has not (i) distributed any “written communication” (as defined in Rule 405 under the Act) in connection with the Offering or (ii) filed, referred to, approved, used or authorized the use of any “free writing prospectus” as defined in Rule 405 under the Act with respect to the offering of Securities, except in each case for the Pricing Prospectus, the Prospectus, and any Issuer Free Writing Prospectus set forth on Schedule B to the related Terms Agreement, any document not constituting a prospectus pursuant to Section 2(a)(10)(a) of the Act or Rule 134 under the Act or any other “written communication” (as defined in Rule 405 under the Act) approved in writing in advance by the Representative.

(f) The Company was a “well-known seasoned issuer” (as defined in Rule 405 under the Act) and was not an “ineligible issuer” (as defined in Rule 405 under the Act), in each case, as of the applicable date specified under the Act with respect to the offering of the Securities.

(g) Subsequent to the respective dates as of which information is given in the Pricing Prospectus, except as disclosed in the Pricing Disclosure Package, (i) there has not been any material change in the capital stock or long-term debt of the Company or its subsidiaries, (ii) the Company and its subsidiaries taken as a whole have not sustained any material loss or material interference with their business or properties from fire, explosion, flood, hurricane, accident or other calamity, whether or not covered by insurance, or from any labor dispute or any legal or governmental proceeding, and (iii) there has not been any material adverse change, or any development that would reasonably be expected to result in a material adverse change, whether or not arising from transactions in the ordinary course of business, in or affecting the business, financial condition, results of operations or stockholder’s equity of the Company and its subsidiaries, taken as a whole. Since the date of the latest balance sheet included in or incorporated by reference into the Registration Statement and the Pricing Prospectus, neither the Company nor any of its subsidiaries has incurred or undertaken any liabilities or obligations, whether direct or indirect, liquidated or contingent, matured or unmatured, or entered into any transactions, including any acquisition or disposition of any business or asset, which are material to the Company and its subsidiaries, taken as a whole, except for liabilities, obligations and transactions which are disclosed in the Pricing Disclosure Package.

(h) The Company has the authorized capitalization set forth in the Pricing Disclosure Package. If the Securities specified in the Terms Agreement are preferred stock or common stock, all of the issued and outstanding shares of capital stock of the Company are fully paid and non-assessable and have been duly and validly authorized and issued. If the Securities specified in the Terms Agreement are preferred stock or common stock, all of the issued shares of capital stock of or other ownership interests in each subsidiary have been duly and validly authorized and issued and are fully paid and non-assessable. All of the issued shares of capital stock or other ownership interests (in the case of the Company’s wholly-owned subsidiaries) or all of such capital stock or other ownership interests that the Company owns (in the case of less than wholly-owned subsidiaries) are owned directly or indirectly by the Company, in each case free and clear of any lien, charge, mortgage, pledge, security interest, claim, equity, trust or other encumbrance, preferential arrangement, defect or restriction of any kind whatsoever, other than (i) pursuant to the Company’s Credit Agreement, dated as of June 23, 2011 (the “Credit Agreement”), by and among the Company, the other persons party thereto that are

designated as Credit Parties, General Electric Capital Corporation, as agent for the lenders, and the lenders party thereto, as amended, restated, modified, renewed, refunded, replaced or refinanced as of the date of the applicable Terms Agreement, (ii) as disclosed in the Pricing Disclosure Package or (iii) as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect (as defined below).

(i) The Company and each of its subsidiaries has been duly formed and validly exists as a corporation, company, partnership, limited liability company or other entity in good standing under the laws of its jurisdiction of organization, except as disclosed in the Pricing Disclosure Package and, in the case of the Company's subsidiaries, as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The Company and each of its subsidiaries are duly qualified or registered to do business and is in good standing as a foreign corporation, partnership or limited liability company or other entity in each jurisdiction in which the character or location of its properties (owned, leased or licensed) or the nature or conduct of its business makes such qualification necessary, except for those failures to be so qualified or registered or in good standing which (individually or in the aggregate) would not reasonably be expected to have a material adverse effect on (i) the business, financial condition, results of operations or stockholder's equity of the Company and its subsidiaries, taken as a whole or (ii) the ability of the Company to consummate the transactions contemplated by this Agreement or the related Terms Agreement (any such effect described in (i) or (ii), a "Material Adverse Effect").

(j) The Company has full corporate right, power and authority to execute and deliver the Terms Agreement (including the terms of this Agreement that are incorporated by reference therein), to perform its obligations thereunder and to consummate the transactions contemplated thereby.

(k) The Terms Agreement (including the terms of this Agreement that are incorporated by reference therein) has been duly authorized, executed and delivered by the Company.

(l) The Indenture, if any, referred to in the Terms Agreement meets the requirements for qualification under the Trust Indenture Act, has been duly authorized and, when executed by the proper officers of the Company and delivered (assuming due execution and delivery thereof by the Trustee), will constitute the valid and legally binding instrument of the Company, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization or similar laws affecting the rights of creditors generally and subject to general principles of equity, good faith and fair dealing regardless of whether enforcement is sought in a proceeding of law or equity. The Debt Securities, if any, referred to in the Terms Agreement have been duly and validly authorized and will be, when validly executed, authenticated and delivered in accordance with the terms of the Indenture, valid and legally binding obligations of the Company entitled to the benefits of the Indenture, enforceable against it in accordance with their terms, subject to applicable bankruptcy, insolvency, fraudulent conveyance, reorganization or similar laws affecting the rights of creditors generally and subject to general principles of equity, good faith and fair dealing regardless of whether enforcement is sought in a proceeding of law or equity. The Debt Securities, if any, referred to in the Terms Agreement conform to the description thereof in the Pricing Disclosure Package.

(m) Any common stock or preferred stock referred to in the Terms Agreement has been duly and validly authorized and, when issued and delivered and paid for as provided herein, will be fully paid and non-assessable. If any Securities to be issued are convertible, the shares of common stock issuable upon conversion have been duly and validly authorized, have been duly reserved for issuance upon conversion of the Securities, and when issued and delivered upon the conversion of the Securities, will be duly and validly issued, fully paid and non-assessable. Any shares of common stock or preferred stock referred to in the Terms Agreement conform to the descriptions thereof in the Pricing Disclosure Package.

(n) No further approval or authority of the stockholders or the Board of Directors of the Company will be required for the issuance and sale of the Securities as contemplated herein or the issuance of the shares of common stock upon conversion of the Securities, if applicable. The execution, delivery and performance of the Terms Agreement, the Indenture(s), if any, and, as applicable, the Securities, and compliance by the Company with all of the provisions thereof, and the consummation of the transactions contemplated thereby, will not (i) require any consent, approval, authorization or other order of any court, regulatory body, administrative agency or other governmental body (except as such may be required under the securities or Blue Sky laws of the various states or jurisdictions outside the United States), (ii) be in contravention of any law, rule or regulation applicable to it or of any order applicable to it of any court or of any governmental body or instrumentality having jurisdiction over it or its properties, (iii) violate any of the provisions of the certificate of incorporation or bylaws of the Company or (iv) conflict with or constitute a breach of any of the terms or provisions of, or a default under, any agreement to which the Company is a party or by which it is bound, except in the case of each of clauses (i), (ii) and (iv), for consents, approvals, authorizations, other orders, contraventions, violations, conflicts, breaches or defaults which would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(o) The financial statements, including the notes thereto, and any supporting schedules included in or incorporated by reference into the Pricing Prospectus present fairly, in all material respects, the financial position as of the dates indicated and the cash flows and results of operations for the periods specified of the Company and its consolidated subsidiaries; except as may be otherwise stated in the Pricing Prospectus, said financial statements have been prepared in conformity with United States generally accepted accounting principles applied on a consistent basis throughout the periods involved; and any supporting schedules included in or incorporated by reference into the Pricing Prospectus present fairly, in all material respects, the information required to be stated therein. Other than as included in or incorporated by reference into the Pricing Prospectus, no other financial statements or supporting schedules are required to be included in or incorporated by reference into the Registration Statement, the Pricing Prospectus or the Prospectus by the Act or the Rules and Regulations. The other financial information included in or incorporated by reference into the Pricing Prospectus presents fairly in all material respects the information presented therein and has been derived from the books and records of the respective entities presented therein.

(p) The Company is not and, after giving effect to application of the net proceeds of the Offering as described in the Pricing Disclosure Package, will not be, required to register as an "investment company" under the Investment Company Act of 1940, as amended, and is not and will not be an entity "controlled" by an "investment company" within the meaning of such act.

(q) Neither the Company nor any of its subsidiaries nor, to the knowledge of the Company, any director, officer, employee or affiliate of the Company or any of its subsidiaries is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Treasury Department (“OFAC”); and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC or for the purpose of financing any activity that is prohibited as to U.S. persons under U.S. sanctions administered by OFAC.

(r) To the Company’s knowledge, the activities of each of the Company, its subsidiaries, and each of its and their respective officers, directors or employees, in their capacities as such, have not violated, and the Company’s participation in the offering will not violate, (i) the Foreign Corrupt Practices Act of 1977 (the “FCPA”), (ii) anti-bribery laws, including any law, rule, or regulation promulgated to implement the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, signed December 17, 1997 (excluding the FCPA) and (iii) anti-money laundering laws, including applicable federal, state, international, foreign or other laws or regulations regarding anti-money laundering, including Title 18 U.S. Code section 1956 and 1957, the Patriot Act and the Bank Secrecy Act, except in the case of each of clauses (ii) and (iii), for any violation which, singularly or in the aggregate with all other such violations, would not reasonably be expected to have a Material Adverse Effect.

(s) Except as described in the Pricing Disclosure Package, there is no legal or governmental proceeding, including routine litigation, pending or, to the Company’s knowledge, threatened, to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, singularly or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

(t) Except as described in the Pricing Disclosure Package, there has been no storage, generation, transportation, handling, treatment, disposal, discharge, emission, or other release of any kind of toxic or other wastes or other hazardous substances by, due to or caused by the Company (or, to the Company’s knowledge, any other entity for whose acts or omissions the Company is liable) upon any other property now or previously owned or leased by the Company or any of its subsidiaries, or upon any other property, in violation of any statute or any ordinance, rule (including rule of common law), regulation, order, judgment, decree or permit or which would, under any statute or any ordinance, rule (including rule of common law), regulation, order, judgment, decree or permit, give rise to any liability, except for any violation or liability which would not reasonably be expected to have, singularly or in the aggregate with all such violations and liabilities, a Material Adverse Effect; except as described in the Pricing Disclosure Package, there has been no disposal, discharge, emission or other release of any kind onto such property or into the environment surrounding such property of any toxic or other wastes or other hazardous substances with respect to which the Company or any of its subsidiaries has knowledge, except for any such disposal, discharge, emission or other release of any kind, which would not reasonably be expected to have, singularly or in the aggregate with all such discharges and other releases, a Material Adverse Effect. The Company has not agreed to assume, undertake or provide indemnification for any liability of any other person under any

environmental law, including any obligation for cleanup or remedial action, except as would not reasonably be expected to have a Material Adverse Effect or as disclosed in the Pricing Disclosure Package.

(u) Except as described in the Pricing Disclosure Package, the Company and its subsidiaries own or possess adequate rights to use all patents, patent applications, trademarks, service marks, trade names, trademark registrations, service mark registrations, copyrights, licenses, formulae, customer lists, and know-how and other intellectual property (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures) (the “Intellectual Property”) necessary for the conduct of their respective businesses as being conducted and as described in the Pricing Disclosure Package, other than any Intellectual Property the absence of which would not reasonably be expected to have a Material Adverse Effect, and have no reason to believe that the conduct of their respective businesses will conflict with, and have not received any notice of any claim of conflict with, any such right of others, which claim would reasonably be expected to result in a Material Adverse Effect. Except as described in the Pricing Disclosure Package or as would not reasonably be expected to have a Material Adverse Effect, (i) to the Company’s knowledge, there is no infringement by third parties of any such Intellectual Property; (ii) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others challenging the Company’s or its subsidiaries’ rights in or to any such Intellectual Property, and the Company is unaware of any facts which would form the basis for any such claim; (iii) there is no pending or, to the Company’s knowledge, threatened action, suit, proceeding or claim by others that the Company or its subsidiaries infringe or otherwise violate any patent, trademark, copyright, trade secret or other proprietary rights of others.

(v) The Company and its subsidiaries have all necessary consents, authorizations, approvals, clearances, orders, certificates and permits of and from, and have made all required declarations and filings with, all federal, state, local and other governmental authorities, all self-regulatory organizations and all courts and other tribunals to own, lease, license and use their respective properties and assets, as applicable, and to conduct their respective businesses in the manner described in the Pricing Disclosure Package; except such consents, authorizations, approvals, clearances, orders, certificates, permits, declarations and filings the failure of which to have would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(w) Except as described in the Pricing Disclosure Package, the Company and its subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance that: (i) transactions are executed in accordance with management’s general or specific authorizations, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain accountability for assets, (iii) access to assets is permitted only in accordance with management’s general or specific authorization, (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences and (v) interactive data in Extensible Business Reporting Language included or incorporated by reference in the Registration Statement, the Prospectus and the Pricing Disclosure Package is prepared in accordance with the Commission’s rule and guidelines applicable thereto. The Company has established and maintains disclosure controls and

procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act); such disclosure controls and procedures are designed to ensure that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Commission's rules and forms, including controls and procedures designed to ensure that such information is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure; such disclosure controls and procedures are effective to perform the functions for which they were established; any significant material weaknesses in internal accounting controls have been identified for the Company's Chief Executive Officer and its Chief Financial Officer; and since the date of the most recent evaluation of such internal accounting controls, there have been no significant changes in internal accounting controls or in other factors that could significantly affect internal accounting controls; except in each case as described in the Pricing Disclosure Package.

(x) Except as described in the Pricing Disclosure Package, the Company and its subsidiaries have accurately prepared and timely filed all federal, state and other tax returns that are required to be filed by them and have paid or made provision for the payment of all taxes, assessments, governmental or other similar charges, including without limitation, all sales and use taxes and all taxes which they are obligated to withhold from amounts owing to their respective employees, creditors and third parties, with respect to the periods covered by such tax returns (whether or not such amounts are shown as due on any tax return), except any amounts the Company is contesting in good faith or where the failure to so file or pay would not reasonably be expected to have a Material Adverse Effect. Except as described in the Pricing Disclosure Package, no deficiency assessment with respect to a proposed adjustment of the Company's or any of the subsidiaries' federal, state, or other taxes is pending or, to the Company's knowledge, threatened, which would reasonably be expected to have a Material Adverse Effect. Except as described in the Pricing Disclosure Package, there is no material tax lien, whether imposed by any federal, state, or other taxing authority, outstanding against the assets, properties or business of the Company or any of its subsidiaries, which would reasonably be expected to have a Material Adverse Effect.

(y) Except as described in the Pricing Disclosure Package, the Company and its subsidiaries own or lease all such properties as are necessary to the conduct of their respective businesses as presently operated as described in the Pricing Disclosure Package, except for such failures to own or lease such properties which would not reasonably be expected to have a Material Adverse Effect; and the Company and its subsidiaries have good and marketable title to or valid leasehold interests in all of their respective properties, in each case free and clear of any and all liens, other than (i) pursuant to the Credit Agreement, as amended, restated, modified, renewed, refunded, replaced or refinanced as of the date of the applicable Terms Agreement, (ii) as described in the Pricing Disclosure Package or (iii) as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(z) Except as described in the Pricing Disclosure Package, the Company and its subsidiaries maintain insurance in such amounts and covering such risks as the Company reasonably considers adequate for the conduct of their respective businesses and the value of their respective properties, all of which insurance is in full force and effect, except where the failure to maintain such insurance would not reasonably be expected to have a Material Adverse

Effect. Except as described in the Pricing Disclosure Package, there are no material claims by the Company or any subsidiary under any such policy or instrument as to which any insurance company is denying liability or defending under a reservation of rights clause, except for such claims the denial of which would not reasonably be expected to have a Material Adverse Effect.

(aa) Except in each case as described in the Pricing Disclosure Package or as would not (individually or in the aggregate) reasonably be expected to have a Material Adverse Effect, no “prohibited transaction” (as defined in either Section 406 of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder (“ERISA”) or Section 4975 of the Internal Revenue Code of 1986, as amended from time to time (the “Code”)), “accumulated funding deficiency” (as defined in Section 302 of ERISA) or other event of the kind described in Section 4043(b) of ERISA (other than events with respect to which the 30-day notice requirement under Section 4043 of ERISA has been waived) has occurred with respect to any “employee benefit plan” (as defined in Section 3(3) of ERISA) for which the Company or any of its subsidiaries would have any liability; each such employee benefit plan for which the Company or any of its subsidiaries would have any liability is in compliance in all material respects with applicable law, including (without limitation) ERISA and the Code; and the Company has not incurred and does not reasonably expect to incur liability under Title IV of ERISA with respect to the termination of, or withdrawal from any “pension plan” (as defined in Section 3(2)(A) of ERISA).

(bb) Neither the Company nor any of its affiliates (within the meaning of Rule 144 under the Act) has taken, directly or indirectly, any action which constitutes or is designed to cause or result in, or which could reasonably be expected to constitute, cause or result in, the unlawful stabilization or manipulation of the price of any security to facilitate the sale or resale of the Securities.

(cc) KPMG LLP, or such other firm which has certified the financial statements and supporting schedules and information of the Company and its subsidiaries that are included in or incorporated by reference into the Registration Statement, the Pricing Prospectus and the Prospectus and whose reports are included in or incorporated by reference into in the Registration Statement, the Pricing Prospectus and the Prospectus (such firm or firms, the “Independent Registered Public Accounting Firm”) is an independent registered public accounting firm with respect to the Company as required by the Act, the Exchange Act and the Rules and Regulations.

(dd) The Company is in compliance in all material respects with all presently applicable provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations promulgated thereunder (the “Sarbanes-Oxley Act”).

(ee) The Company has paid or will pay the registration fee for the offering of the Securities pursuant to Rule 457 of the Act.

3. *Purchase and Offering of Securities.* The obligation of the Underwriters to purchase the Securities will be evidenced by an exchange of a telegram, telex or other written communications (“Terms Agreement”) at each time the Company determines to sell Securities. The Securities involved in any such offering that the Underwriters are obligated to purchase on a firm commitment basis are referred to herein as the “Firm Securities.” Each Terms Agreement

will be in the form of Annex II (A) or (B) attached hereto and will incorporate by reference the provisions of this Agreement, except as otherwise provided therein, and will specify the firm or firms which will be Underwriters, the names of any Representatives, the amount to be purchased by each Underwriter, the purchase price to be paid by the Underwriters and certain terms of the Securities and whether any of the Securities may be sold to institutional investors pursuant to Delayed Delivery Contracts (as defined below). The Terms Agreement will also specify the time and date of delivery and payment (such time and date, or such other time as the Representatives and the Company agree as the time for payment and delivery, being herein and in the Terms Agreement referred to as the "Closing Date"), the place of delivery and payment and any details of the terms of public offering that should be reflected in the prospectus supplement relating to the offering of the Securities. The obligations of the Underwriters to purchase the Firm Securities will be several and not joint. It is understood that the Underwriters propose to offer the Securities for sale as set forth in the Pricing Disclosure Package. The Debt Securities delivered to the Underwriters on the Closing Date will be in definitive fully registered form, in such denominations and registered in such names as the Underwriters may request.

If specified in a Terms Agreement, on the basis of the representations, warranties and covenants herein contained, and subject to the terms and conditions herein set forth, the Company grants an option to the several Underwriters to purchase, severally and not jointly, up to that amount of the Option Securities as shall be specified in the Terms Agreement, from the Company at the same price as the Underwriters shall pay for the Firm Securities. Said option may be exercised only to cover over-allotments in the sale of the Firm Securities by the Underwriters and may be exercised in whole or in part at any time (but not more than once) on or before the thirtieth day after the date of the Terms Agreement upon written or telegraphic notice by you to the Company setting forth the amount of the Option Securities as to which the several Underwriters are exercising the option. The amount of Option Securities to be purchased by each Underwriter shall be the same percentage of the total amount of the Option Securities to be purchased by the several Underwriters as such Underwriter is purchasing of the Firm Securities, as adjusted by you in such manner as you deem advisable to avoid fractional shares/units. If the Terms Agreement provides for sales of Securities pursuant to delayed delivery contracts, the Company authorizes the Underwriters to solicit offers to purchase Securities pursuant to delayed delivery contracts substantially in the form of Annex I attached hereto ("Delayed Delivery Contract") with such changes therein as the Company may authorize or approve. Delayed Delivery Contracts are only to be with institutional investors, including commercial and savings banks, insurance companies, pension funds, investment companies and educational and charitable institutions. On the Closing Date, the Company will pay, as compensation, to the Representatives for the accounts of the Underwriters, the fee set forth in such Terms Agreement in respect of the amount of Securities to be sold pursuant to Delayed Delivery Contracts ("Contract Securities"). The Underwriters will not have any responsibility in respect of the validity or the performance of Delayed Delivery Contracts. If the Company executes and delivers Delayed Delivery Contracts, the Contract Securities will be deducted from the Firm Securities to be purchased by the several Underwriters and the aggregate amount of Firm Securities to be purchased by each Underwriter will be reduced pro rata in proportion to the amount of Firm Securities set forth opposite each Underwriter's name in such Terms Agreement, except to the extent that the Representatives determine that such reduction shall be otherwise than pro rata and so advise the Company. The Company will advise the Representatives not later than the business day prior to the Closing Date of the amount of Contract Securities.

4. *Certain Agreements of the Company.* The Company agrees with the several Underwriters that it will furnish to counsel for the Underwriters one signed copy of the registration statement relating to the Registered Securities, including all exhibits, in the form it became effective and of all amendments thereto and that, in connection with each offering of Registered Securities:

(a) The Company will timely file the Prospectus with the Commission pursuant to Rule 424(b); the Company will advise you promptly of any such filing pursuant to Rule 424(b); the Company will advise the Representatives promptly of any proposal to amend or supplement the Registration Statement or the Prospectus and will afford the Representatives a reasonable opportunity to comment on any such proposed amendment or supplement; and the Company will also advise the Representatives promptly of the filing and effectiveness of any such amendment or supplement and of the institution by the Commission of any stop order proceedings in respect of the Registration Statement or of any part thereof and will use its reasonable best efforts to prevent the issuance of any such stop order and to obtain as soon as possible its lifting, if issued.

(b) If the Securities specified in the Terms Agreement are Debt Securities, the Company will prepare a final term sheet, containing a description of the Registered Securities, in a form approved by the Representatives, and file such term sheet pursuant to Rule 433(d) under the Act within the time period prescribed by such Rule.

(c) The Company will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus for so long as the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required in connection with the offering or sale of the Securities.

(d) The Company will comply with the requirements of Rule 433 with respect to each Issuer Free Writing Prospectus including, without limitation, all prospectus delivery, filing, record retention and legending requirements applicable to each such Issuer Free Writing Prospectus.

(e) If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (or in lieu thereof, the notice referred to in Rule 173(a) under the Act), any event occurs in the reasonable judgment of the Representatives or the Company as a result of which the Registration Statement, the Pricing Disclosure Package (prior to the availability of the Prospectus) or the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, or if it is necessary at any time to amend or supplement the Registration Statement, the Pricing Disclosure Package or the Prospectus or to file under the Exchange Act any document incorporated by reference in the Registration Statement, the Pricing Disclosure Package or the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, if applicable, the Company will promptly notify the Representatives and will prepare and file with the Commission, subject to Section 4(a) herein, an amendment or supplement which will correct such statement or omission or an amendment which will effect such compliance.

The Company will not, without the prior consent of the Representatives, (A) make any offer relating to the Securities that would constitute a “free writing prospectus” as defined in Rule 405 under the Act, except for any Issuer Free Writing Prospectus set forth in Schedule B to the related Terms Agreement, or (B) file, refer to, approve, use or authorize the use of any “free writing prospectus” as defined in Rule 405 under the Act with respect to the Offering or the Securities other than as set forth in Schedule B to the applicable Terms Agreement. The Company consents to the use by any Underwriter of any free writing prospectus that (a) is not an “issuer free writing prospectus” as defined in Rule 433, and (b) contains only (i) information describing the preliminary terms of the Securities or their offering and that is included in any Preliminary Prospectus, (ii) in the case of an offering of Debt Securities, information that describes the final terms of the Securities or their offering and that is included in the term sheet of the Company contemplated in Section (4)(b) of this Agreement or (iii) information permitted by Rule 134 under the Act. Notwithstanding any of the foregoing to the contrary, except pursuant to Section 4(f) hereof, no Underwriter shall include any “issuer information” (as defined in Rule 433) in any “free writing prospectus” (as defined in Rule 405) used or referred to by such Underwriter without the prior consent of the Company where the use or reference to such free writing prospectus would require the filing of such “issuer information” with the Commission pursuant to Rule 433(d) due to the Underwriters’ inclusion of such “issuer information” in any “free writing prospectus”.

(f) If at any time any event shall have occurred as a result of which any Issuer Free Writing Prospectus as then amended or supplemented would, in the judgment of the Representatives or the Company, conflict with the information in the Registration Statement, the Preliminary Prospectus or the Prospectus as then amended or supplemented, or would, in the judgment of the Representatives or the Company, include, when taken together with the Pricing Disclosure Package, an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances existing at the time of delivery to the purchaser, not misleading, or if to comply with the Act or the Rules and Regulations it shall be necessary at any time to amend or supplement any Issuer Free Writing Prospectus, the Company will notify the Representatives promptly and, if requested by the Representatives, prepare and furnish without charge to each Underwriter an appropriate amendment or supplement (in form and substance reasonably satisfactory to the Representatives) that will correct such statement, omission or conflict or effect such compliance.

(g) As soon as practicable after the date of each Terms Agreement, but in no event later than twelve months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), the Company will make generally available to its security holders an earning statement which will satisfy the provisions of Section 11(a) of the Act.

(h) The Company will furnish to the Representatives copies of the Registration Statement, including all exhibits, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus, all amendments and supplements to such documents, and all documents incorporated by reference in the Registration Statement, any Preliminary Prospectus and the Prospectus, in each case as soon as available and in such quantities as are reasonably requested.

(i) The Company will arrange for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives reasonably designate and will continue such qualifications in effect so long as required for the distribution, except that in no event shall the Company be obligated in connection therewith to qualify as a foreign corporation, to execute a general consent to service of process or to subject itself to taxation in any such jurisdiction if it is not otherwise so subject.

(j) During the period, if any, specified in the Terms Agreement after the date of such Terms Agreement or for such shorter period as the Securities remain outstanding, the Company will furnish to the Representatives and, upon request, to each of the other Underwriters, if any, as soon as practicable after the end of each fiscal year, a copy of its annual report to stockholders for such year; and the Company will furnish to the Representatives (i) as soon as available, a copy of each report or definitive proxy statement of the Company filed with the Commission under the Exchange Act or mailed to stockholders, and (ii) from time to time, such other information concerning the Company as the Representatives may reasonably request.

(k) The Company will pay the costs incident to the authorization, issuance, sale and delivery of the Securities to be sold by the Company to the Underwriters and any taxes payable in that connection; the costs incident to the preparation, printing and filing under the Act of the Registration Statement and any amendments and exhibits thereto; the costs incident to the preparation, printing and filing of any document and any amendments and exhibits thereto required to be filed by the Company under the Exchange Act; the cost of distributing the Registration Statement to the Underwriters as originally filed and each amendment thereto, each post-effective amendment thereof (including exhibits), any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus and any amendments or supplements to or any documents incorporated by reference in any of the foregoing documents as provided in this Agreement; the costs of filing with the Financial Industry Regulatory Authority, Inc., if necessary; the fees and expenses of qualifying the Securities under the securities laws of the several jurisdictions as provided in this subsection and of preparing a Blue Sky memorandum and a memorandum concerning the legality of the Securities as an investment (including fees of counsel to the Underwriters in connection therewith); the costs of printing and issuance of certificates; any transfer agent's fees; the costs of preparation, printing and filing of any Indenture and any Trustees' fees and expenses; and all other costs and expenses incident to the performance of the obligations of the Company under this Agreement, *provided* that, except as provided in this subsection and Section 8, the Underwriters shall pay their own costs and expenses, including the fees and expenses of their counsel, any transfer taxes on the Securities which they may sell, the expenses of advertising any offering of the Securities made by the Underwriters and the cost of printing any Agreement among Underwriters, *provided, further*, that after nine months from the date of the Terms Agreement, the Underwriters shall pay the costs of printing any additional Registration Statements or Prospectuses, or any amendments or supplements thereto, required for their own use.

(l) Without the prior consent of the Representatives, the Company will not, (A) in the event of an offering of common stock, preferred stock or convertible debt securities, offer, sell, contract to sell or otherwise dispose of any shares of common stock or any securities convertible into or exchangeable or exercisable for or any rights to purchase or acquire common stock for that period specified in the Terms Agreement, other than shares of common stock or options to

purchase common stock granted under the Company's employee benefit plans and, (B) for a period beginning at the time of execution of the Terms Agreement and ending on the Closing Date, in the event of an offering of Debt Securities, will not offer, sell, contract to sell or otherwise dispose of any debt securities of the Company with maturities longer than one year, other than (i) the Debt Securities to the Underwriters or the Contract Securities; (ii) borrowings in the ordinary course of business; and (iii) other borrowings in an aggregate principal amount not to exceed \$100 million.

(m) The Company will apply the net proceeds from the sale of the Securities as described in the Registration Statement, the Pricing Prospectus and the Prospectus.

5. Conditions of the Obligations of the Underwriters. The obligations of the several Underwriters to purchase and pay for the Securities will be subject to the accuracy of the representations and warranties by or on behalf of the Company herein, to the performance by the Company of its obligations hereunder and to the following additional conditions precedent:

(a) At or prior to the execution of the Terms Agreement and on the Closing Date, the Representatives shall have received a letter, dated the date of delivery thereof and any later date on which Option Securities are purchased if specified in a Terms Agreement, of the Independent Registered Public Accounting Firm, addressed to the Underwriters and the Board of Directors of the Company, with respect to the financial statements and certain financial information contained or referred to in the Registration Statement, Pricing Disclosure Package and the Prospectus, as applicable. Such letter shall be in form and substance reasonably satisfactory to the Representatives.

(b) The Prospectus shall have been filed with the Commission in accordance with the Rules and Regulations and Section 4(a) of this Agreement; the final term sheet contemplated by Section 4(b) of this Agreement (if required pursuant to such section), and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; no stop order suspending the effectiveness of the Registration Statement or of any part thereof shall have been issued and no proceedings for that purpose shall have been instituted or, to the knowledge of the Company or any Underwriter, shall be contemplated by the Commission; and no stop order suspending or preventing the use of the Prospectus or any Issuer Free Writing Prospectus shall have been initiated or threatened by the Commission.

(c) Subsequent to the execution of the Terms Agreement, there shall not have occurred (i) any change, or any development that would reasonably be expected to result in a change, in or affecting the business, financial condition, results of operations or stockholder's equity of the Company and its subsidiaries, taken as a whole, which, in the judgment of the Representatives, materially impairs the investment quality of the Securities; (ii) any downgrading, or placement on any watch list for possible downgrading, in the rating of the Company's debt securities by any of Standard & Poor's Corporation or Moody's Investors Services, Inc.; (iii) any suspension of trading in securities generally on the New York Stock Exchange, or any setting of minimum prices for trading on such exchange, or any suspension of trading of any securities of the Company on any exchange or in the over-the-counter market; (iv) any banking moratorium declared by Federal or New York authorities; or (v)(A) any outbreak or escalation of major

hostilities or acts of terrorism in which the United States is involved, any declaration of war by the United States Congress or (B) any other substantial national or international calamity or emergency, or any substantial change in political, financial or economic conditions or currency exchange rates or exchange controls if the effect of any such event in clause (A) or (B) of this sentence, in the judgment of the Representatives, makes it impractical or inadvisable to market the Securities or proceed with completion of the sale of and payment for the Securities.

(d) The Representatives shall have received an opinion, dated the Closing Date, from the counsel for the Company specified in the Terms Agreement, which counsel shall be either the General Counsel of the Company or such other counsel for the Company reasonably acceptable to the Representatives, and if Option Securities are purchased at any date after the Closing Date as specified in a Terms Agreement, additional opinions from such counsel, addressed to the Underwriters and dated such later date, confirming that the statements expressed as of the Closing Date in such opinions remain valid as of such later date; such opinions shall be in form and substance reasonably satisfactory to the Underwriters, substantially to the effect set forth in Schedule C to such Terms Agreement.

(e) The Representatives shall have received from counsel for the Underwriters specified in the Terms Agreement, such opinion or opinions, dated the Closing Date, with respect to the incorporation of the Company, the validity of the Securities, the Registration Statement, the Prospectus and other related matters as they may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters.

(f) The Representatives shall have received a certificate, dated the Closing Date and on any later date on which Option Securities are purchased if specified in a Terms Agreement, of the Chairman of the Board, the Vice Chairman of the Board, the Chief Executive Officer, the President or any Vice President and a principal financial or accounting officer of the Company in which such officers, to the best of their knowledge after reasonable investigation, shall state that the representations and warranties of the Company in this Agreement are true and correct, that the Company has complied with all agreements and satisfied all conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date, that no stop order suspending the effectiveness of the Registration Statement or of any part thereof has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, are threatened by the Commission and that, subsequent to the date of the most recent financial statements in the Prospectus, there has been no material adverse change in the financial position or results of operations of the Company and its subsidiaries except as set forth in or contemplated by the Prospectus or as described in such certificate.

(g) The Company shall have satisfied such additional conditions, if any, as are specified in a Terms Agreement.

The Company will furnish the Representatives with such conformed copies of such opinions, certificates, letters and documents as they reasonably request.

6. Indemnification and Contribution. (a) The Company will indemnify and hold harmless each Underwriter and each person, if any, who controls such Underwriter within the

meaning of Section 15 of the Act or Section 20 of the Exchange Act, against any losses, claims, damages, or liabilities whatsoever, joint or several, to which such Underwriter may become subject, under the Act, the Exchange Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in (A) the Registration Statement or in any amendment thereof, or in any Preliminary Prospectus, the Pricing Disclosure Package or the Prospectus, or in any supplement thereto or amendment thereof, or in any Issuer Free Writing Prospectus, or in any “issuer information” (as defined in Rule 433(h)(2) under the Act) filed or required to be filed pursuant to Rule 433(d) under the Act, or (B) any other “written communication” (as defined in Rule 405 under the Act) provided to investors by, or with the approval of, the Company in connection with the Offering and any “road show” (as defined in Rule 433 under the Act) for the Offering (collectively, “Marketing Materials”), or (ii) the omission or alleged omission to state (A) in the Registration Statement or any amendment thereof, a material fact required to be stated therein or necessary to make the statements therein not misleading, or (B) in any Preliminary Prospectus, the Pricing Disclosure Package or the Prospectus, or in any supplement thereto or amendment thereof, or in any Issuer Free Writing Prospectus, or in any “issuer information” (as defined in Rule 433(h)(2) under the Act) filed or required to be filed pursuant to Rule 433(d) under the Act , or in any Marketing Materials, a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and the Company will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement in or omission or alleged omission from any of such documents in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives, if any, specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information, if any, described as such in the Terms Agreement.

(b) Each Underwriter, severally and not jointly, will indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement any amendment thereof, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or (ii) any untrue statement or alleged untrue statement of a material fact included in any Preliminary Prospectus, the Pricing Disclosure Package or the Prospectus, or in any amendment thereof or supplement thereto, any Issuer Free Writing Prospectus, or in any “issuer information” (as defined in Rule 433(h)(2) under the Act) filed or required to be filed pursuant to Rule 433(d) under the Act or any Marketing Materials, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that

such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Underwriter through the Representatives, if any, specifically for use therein, it being understood and agreed that the only such information furnished by any Underwriter consists of the information, if any, described as such in the Terms Agreement, and will reimburse any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under this Section of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under subsection (a) or (b) above, notify the indemnifying party of the commencement thereof; but the omission so to notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party will not be liable to such indemnified party under this Section for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided* that the Representatives shall have the right to employ one counsel (in addition to one local counsel) to represent the Representatives and those other Underwriters who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Underwriters against the Company under this Section if, in the reasonable judgment of outside counsel to the Underwriters, it is advisable for the Representatives and those other Underwriters to be represented by separate counsel because separate defenses are available to such Underwriters, and in that event the reasonable fees and expenses of such separate counsel shall be paid by the Company. No indemnifying party shall, without the prior written consent of the indemnified parties, effect any settlement or compromise of, or consent to the entry of judgment with respect to, any pending or threatened claim, investigation, action or proceeding in respect of which the indemnified party is or reasonably could have been a party and indemnity or contribution may or could have been sought hereunder by the indemnified party, unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such claim, investigation, action or proceeding and (ii) does not include a statement as to or an admission of fault, culpability or any failure to act, by or on behalf of the indemnified party.

(d) If the indemnification provided for in this Section is unavailable or insufficient to hold harmless an indemnified party under subsection (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is

appropriate to reflect not only the relative benefits referred to in the clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section were to be determined by pro rata allocation (even if the Underwriters were treated as one entity for such purposes) or by any other method of allocation which does not take into account the equitable considerations referred to herein. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the aggregate underwriting discounts and commissions received by it exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) The obligations of the Company under this Section shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act; and the obligations of the Underwriters under this Section shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each director of the Company, to each officer of the Company who has signed the Registration Statement and to each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act.

7. Default of Underwriters. If any Underwriter or Underwriters default in their obligations to purchase securities under the Terms Agreement and the aggregate amount of the Securities that such defaulting Underwriter or Underwriters agreed but failed to purchase does not exceed 10% of the total amount of the Securities, the Representatives may make arrangements satisfactory to the Company for the purchase of such Securities by other persons, including any of the Underwriters, but if no such arrangements are made by the Closing Date, the non-defaulting Underwriters shall be obligated severally, in proportion to their respective commitments under this Agreement and the Terms Agreement, to purchase the Securities that

such defaulting Underwriters agreed but fail to purchase. If any Underwriter or Underwriters so default and the aggregate amount of the Securities with respect to which such default or defaults occur exceeds 10% of the total amount of the Securities and arrangements satisfactory to the Representatives and the Company for the purchase of such Securities by other persons are not made within 36 hours after such default, such Terms Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 8. As used in this Agreement, the term “Underwriter” includes any person substituted for an Underwriter under this Section. Nothing herein will relieve a defaulting Underwriter from liability for its default. The respective commitments of the several Underwriters for the purposes of this Section shall be determined without regard to reduction in the respective Underwriters’ obligations to purchase the amounts of the Securities set forth opposite their names in the Terms Agreement as a result of Delayed Delivery Contracts entered into by the Company.

The foregoing obligations and agreements set forth in this Section will not apply if the Terms Agreement specifies that such obligations and agreements will not apply.

8. *Survival of Certain Representations and Obligations.* The respective indemnities, agreements, representations, warranties and other statements of the Company or its officers and of the several Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any termination of this Agreement or the Terms Agreement or any investigation, or statement as to the results thereof, made by or on behalf of any Underwriter, the Company or any of their respective representatives, officers or directors or any controlling person and will survive delivery of and payment for the Securities. If the obligations of the Underwriters with respect to any offering of Securities are terminated pursuant to Section 7 or if for any reason the purchase of the Securities by the Underwriters under a Terms Agreement is not consummated, the Company shall remain responsible for the expenses to be paid or reimbursed by it pursuant to Section 4(k) and the respective obligations of the Company and the Underwriters pursuant to Section 6 shall remain in effect. If for any reason the purchase of the Securities by the Underwriters is not consummated other than because of the termination of this Agreement pursuant to Section 7 or a failure to satisfy the conditions set forth in Section 5(c), the Company shall reimburse the Underwriters, severally, for all out-of-pocket expenses (including fees and disbursements of counsel) reasonably incurred by them in connection with the offering of the Securities. The provisions of Sections 11 and 13 shall also survive any termination or modification of the Terms Agreement.

9. *No Fiduciary Duty.* The Company hereby acknowledges and agrees that, with respect to any offering of Securities pursuant to this Agreement and the relevant Terms Agreement (such Terms Agreement, together with the provisions of this Agreement that are incorporated by reference therein, is referred to in this Section 9 as the “Underwriting Agreement”), (i) the terms of the Underwriting Agreement, and the offering of the Securities (including the price of the Securities) were negotiated at arm’s length between sophisticated parties represented by counsel; (ii) no fiduciary, advisory or agency relationship between the Company on the one hand, and the Underwriters on the other hand has been created as a result of any of the transactions contemplated by the Underwriting Agreement or the process leading to such transactions, irrespective of whether any Underwriter has advised or is advising the Company on other matters, (iii) the Underwriters’ obligations to the Company in respect of the Offering are set forth in the Underwriting Agreement in their entirety and (iv) the Company has obtained such legal,

tax, accounting and other advice as they deem appropriate with respect to this Underwriting Agreement and the transactions contemplated hereby and any other activities undertaken in connection therewith, and the Company is not relying on the Underwriters with respect to any such matters. The Company hereby agrees that it will not claim that the Underwriters, or any of them, has rendered advisory services of any nature or respect to the Company, or owes a fiduciary or similar duty to it, in connection with such transaction or the process leading thereto.

10. *Notices.* All communications hereunder will be in writing and, if sent to the Underwriters, will be mailed, delivered, telexed or telecopied and confirmed to them at their addresses specified in a Terms Agreement or otherwise furnished to the Company in writing for the purpose of communications hereunder or, if sent to the Company, will be mailed, delivered, telexed or telecopied and confirmed to it at 801 Lakeview Drive, Suite 100, Blue Bell, Pennsylvania 19422, Attention: Treasurer, with a copy to the Chief Financial Officer.

11. *Successors.* This Agreement will inure to the benefit of and be binding upon the Company and such Underwriters as are identified in Terms Agreements and their respective successors and the officers and directors and controlling persons referred to in Section 6, and no other person will have any right or obligation hereunder. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign merely because of such purchase.

12. *Certain Definitions.* For purposes of this Agreement and the Terms Agreement, (a) “business day” means any day on which the New York Stock Exchange is open for trading and (b) “subsidiary” and “significant subsidiary” have the meanings set forth in Rule 405 of the Rules and Regulations.

13. *Applicable Law.* This Agreement and the Terms Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, including, without limitation, Section 5-1401 of the New York General Obligations Law.

14. *Counterparts.* The Terms Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together (including the terms of this Agreement incorporated by reference therein) shall constitute one and the same instrument.

RE: Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as counsel for Unisys Corporation, a Delaware corporation (the "Company"), in connection with the filing of a Registration Statement on Form S-3 under the Securities Act of 1933, as amended (the "Act"), with the Securities and Exchange Commission (the "Commission") on the date hereof (the "Registration Statement") by the Company. The Registration Statement relates to the proposed offer and sale by the Company from time to time, in one or more offerings, as set forth in the prospectus contained in the Registration Statement (the "Prospectus") and as shall be set forth in one or more supplements to the Prospectus (each, a "Prospectus Supplement"), of securities (the "Securities"), which may include any or all of the following: (i) shares of common stock, par value \$.01 per share, of the Company ("Common Stock"); (ii) shares of one or more series of preferred stock, par value \$1 per share, of the Company ("Preferred Stock"); (iii) one or more series of the Company's senior debt securities (the "Senior Debt Securities"), or subordinated debt securities (the "Subordinated Debt Securities," and such Senior Debt Securities and Subordinated Debt Securities being collectively referred to herein as the "Debt Securities"); (iv) warrants to purchase Debt Securities, shares of Common Stock or Preferred Stock, or any combination of such shares and Debt Securities ("Warrants"); and (v) stock purchase contracts to purchase shares of Common Stock (the "Stock Purchase Contracts").

This opinion letter is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act.

In connection with this opinion letter, we have examined the Registration Statement and originals, or copies certified or otherwise identified to our satisfaction, of (i) the Restated Certificate of Incorporation of the Company, as amended (the "Certificate"); (ii) the By-laws of the Company (the "By-laws"); (iii) the senior indenture (the "Senior Indenture") between the Company and Wells Fargo Bank, National Association, as trustee (the "Trustee"), dated June 1, 2012; (iv) the subordinated indenture between the Company and the Trustee, dated June 1, 2012 (the "Subordinated Indenture" and, together with the Senior Indenture, the "Indentures"); (v) certain resolutions of the Company's Board of Directors relating to the Registration Statement; and (viii) such other documents, records and other instruments as we have deemed appropriate for purposes of the opinions set forth herein.

We have assumed the genuineness of all signatures, the legal capacity of all natural persons, the authenticity of the documents submitted to us as originals, the conformity with the originals of all documents submitted to us as certified, facsimile or photostatic copies and the authenticity of the originals of all documents submitted to us as copies. In making our examination of executed documents or documents to be executed, we have assumed that the parties thereto, other than the Company, had or will have the power to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and that such documents constitute valid and binding obligations of such parties. With respect to matters of fact relevant to our opinions as set forth below, we have relied upon certificates of officers of the Company, representations made by the Company in documents examined by us and representations of officers of the Company. We have also obtained and relied upon such certificates and assurances from public officials as we have deemed necessary for the purposes of our opinions set forth below.

For the purpose of the opinions set forth below, we have also assumed, without independent investigation or verification, that:

- the issuance, sale, number or amount, as the case may be, and terms of Securities to be offered from time to time will be duly authorized and established, in accordance with the Certificate, the By-laws and applicable Delaware law (each, a “Corporate Action”), and will not conflict with or constitute a breach of the terms of any agreement or instrument to which the Company is subject;
- prior to the issuance of shares of one or more series of Preferred Stock, an appropriate Certificate of Designations relating to each such series of Preferred Stock will have been duly authorized by Corporate Action and filed with the Secretary of State of the State of Delaware;
- the Senior Debt Securities will be issued under the Senior Indenture and the Subordinated Debt Securities will be issued under the Subordinated Indenture;
- to the extent that the obligations of the Company under the Indentures may depend upon such matters, the Trustee will be duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; that the Trustee will be duly qualified to engage in the activities contemplated by the Indentures; that the Indentures have been or will have been duly authorized, executed and delivered by the Trustee and constitute the legal, valid and binding obligation of the Trustee, enforceable against the Trustee in accordance with their respective terms; that the Trustee will be in compliance, generally and with respect to acting as a trustee under the Indentures, with all applicable laws and regulations; and that the Trustee will have the requisite organizational and legal power and authority to perform its obligations under the Indentures;

- any Warrants will be issued under one or more warrant agreements (each, a “Warrant Agreement”) between the Company and the entity identified in the Warrant Agreement as a warrant agent (each, a “Warrant Agent”) and the execution, delivery and performance of the applicable Warrant Agreement will be duly authorized by Corporate Action, and will not conflict with or constitute a breach of the terms of any agreement or instrument to which the Company is subject;
- to the extent that the obligations of the Company under any Warrant Agreement may depend upon such matters, each of the parties thereto, other than the Company, will be duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and will be duly qualified to engage in the activities contemplated by such Warrant Agreement; that such Warrant Agreement will have been duly authorized, executed and delivered by such party and will constitute the legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms; that such party will be in compliance, generally and with respect to acting as a party with respect to its obligations under such Warrant Agreement, with all applicable laws and regulations; and that such party will have the requisite organizational and legal power and authority to perform its obligations under such Warrant Agreement;
- any Stock Purchase Contracts will be issued under one or more purchase contract agreements (each, a “Purchase Contract Agreement”) between the Company and a purchase contract agent identified in the Purchase Contract Agreement as a purchase contract agent (each, a “Purchase Contract Agent”), and the execution, delivery and performance of the applicable Purchase Contract Agreement will be duly authorized by Corporate Action, and will not conflict with or constitute a breach of the terms of any agreement or instrument to which the Company is subject;
- to the extent that the obligations of the Company under any Purchase Contract Agreement may be dependent upon such matters, the Purchase Contract Agent with respect to such Purchase Contract Agreement will be duly organized, validly existing and in good standing under the laws of its jurisdiction of organization; that such Purchase Contract Agent will be duly qualified to engage in the activities contemplated by such Purchase Contract Agreement; that such Purchase Contract Agreement will have been duly authorized, executed and delivered by such Purchase Contract Agent and will constitute the legal, valid and binding obligation of such Purchase Contract Agent, enforceable against such Purchase Contract Agent in accordance with its terms; that such Purchase Contract Agent will be in compliance, generally and with respect to acting as a Purchase Contract Agent under such Purchase Contract Agreement, with all applicable laws and regulations; and that such Purchase Contract Agent will have the requisite organizational and legal power and authority to perform its obligations under such Purchase Contract Agreement;
- the Registration Statement and any amendments thereto (including post effective amendments) will have become effective and such effectiveness shall not have been terminated or rescinded and will comply with all applicable federal and state laws at the time the Securities are offered and issued as contemplated by the Registration Statement;

- a Prospectus Supplement will have been prepared, delivered (including through compliance with Rule 172 of the General Rules and Regulations promulgated under the Act) and filed with the Commission describing the Securities offered thereby and will comply with all applicable laws at the time the Securities are offered and issued as contemplated by the Registration Statement;
- all Securities will be issued and sold in compliance with applicable federal and state securities laws; and
- a definitive purchase, underwriting or similar agreement (each, a “Definitive Agreement”) with respect to any Securities offered or issued will have been duly authorized and validly executed and delivered by the Company and the other parties thereto.

Subject to the foregoing and the other matters set forth herein, it is our opinion that, as of the date hereof:

1. 2. When the issuance and sale of shares of a series of Preferred Stock have been duly authorized by Corporate Action and such shares of Preferred Stock have been issued and delivered against payment for such shares (in an amount at least equal to the aggregate par value of such shares of Preferred Stock) in accordance with the terms and provisions of applicable Definitive Agreements, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement, and, if applicable, upon the conversion, exchange or exercise of any other Securities in accordance with their respective terms, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement (which shall, in either case, provide for payment of consideration at least equal to the aggregate par value of such shares of Preferred Stock), such shares of such series of Preferred Stock will be validly issued, fully paid and nonassessable.

3. When the specific terms of a particular issuance of Debt Securities have been duly authorized by Corporate Action and are in accordance with the terms of the applicable Indenture, such Indenture has been duly qualified under the Trust Indenture Act of 1939, as amended, the series of such Debt Securities has been created under the terms of the applicable Indenture, and such Debt Securities have been duly executed, authenticated, completed, issued and delivered, against payment for such Debt Securities, in accordance with the terms and provisions of the applicable Definitive Agreements, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement, and, if applicable, upon the conversion, exchange or exercise of any other Securities in accordance with their respective terms, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement, such Debt Securities will be validly issued and will constitute valid, binding and enforceable obligations of the Company, and such Indenture will constitute a valid, binding and enforceable obligation of the Company, enforceable against the Company in accordance with its terms.

4. When the Stock Purchase Contracts have been duly authorized by Corporate Action and duly executed and delivered against payment for such Stock Purchase Contracts in accordance with the applicable Definitive Agreements, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement, the Stock Purchase Contracts will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

5. When a Warrant Agreement providing for the specific terms of a particular issuance of Warrants has been duly authorized by Corporate Action and has been duly executed and delivered by the Company and the Warrant Agent named in such Warrant Agreement and such Warrants, conforming to the requirements of such Warrant Agreement, have been duly countersigned or authenticated, as required, by such Warrant Agent and duly executed and delivered by the Company against payment for such Warrants in accordance with the terms and provisions of such Warrant Agreement and applicable Definitive Agreements, the terms of the Corporate Action and as contemplated by the Registration Statement and the applicable Prospectus Supplement, such Warrants will be valid, binding and enforceable obligations of the Company, enforceable against the Company in accordance with their terms.

The opinions set forth above as to enforceability may be limited by: (i) the effect of bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws now or hereafter in effect relating to or affecting the rights or remedies of creditors generally; (ii) the effect of general principles of equity, whether enforcement is considered in a proceeding in equity or at law, and the discretion of the court before which any proceeding therefor may be brought; (iii) the unenforceability under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to public policy; or (iv) requirements that a claim with respect to any Debt Securities in denominations other than in United States dollars (or a judgment denominated other than into United States dollars in respect of the claim) be converted into United States dollars at a rate of exchange prevailing on a date determined by applicable law.

The foregoing opinions are limited to the laws of the State of New York and the General Corporation Law of the State of Delaware, and we express no opinion with respect to the laws of any other state or jurisdiction. Although the Securities may be issued from time to time on a delayed or continuous basis, the opinions expressed herein are limited to the laws, including rules and regulations, as in effect on the date hereof.

We hereby consent to the use of this opinion as Exhibit 5.1 to the Registration Statement and to the reference to us under the caption "Validity of Securities" in the Prospectus. In giving such consent, we do not hereby admit that we are acting within the category of persons whose consent is required under Section 7 of the Act or the rules or regulations of the Commission thereunder.
